I will not support defunding Carlsbad police or any public safety service. Our police department is one of the best, they keep our families, homes, and businesses safe. My 40-year career as a police officer supports my position.

Carlsbad's strong financial recovery from the Covid-19 pandemic has required in depth knowledge of city finances as well as extensive business experience. I have that knowledge and experience.

As your Mayor Pro Tem, my experience has been both productive and rewarding. Working to enhance our quality of life through strong police and fire services, maintaining a balanced budget, implementing modern traffic signal technology, and maintaining our parks and open space have been my priority since I was elected in 2008.

Since being elected 14 years ago, I have donated my city council salary to local charities. I stay active and connected to our community through volunteering for charitable organizations such as Meals on Wheels, the animal shelter, Boys and Girls Clubs, and Junior Achievement.

I spearheaded the ban on the sales of puppy-mill pets in Carlsbad, then assisted in passing legislation throughout the State.

Preserving, Protecting and Enhancing Life for all Carlsbad Residents.

I am asking for your vote on November 8th.

For more information: CurtinforCarlsbad.com

Mike Curtin is running for Mayor of Carlsbad to bring his positive vision for the future of our great City to our local government. As someone whose character and values are a product of the Carlsbad community via Mike's upbringing here, his background is uniquely comprised of local knowledge combined with an unparalleled combination of nationally- and globally-lived experiences in the business world. He has worked as an executive across different business sectors, including Defense, Electronics, Media and Software.

Though he holds substantially different positions on a variety of issues, Mike is proud to be endorsed by outgoing Mayor Hall who believes that he is the best choice for the continued responsible stewardship of taxpayer dollars that has kept Carlsbad in the top tier of well-run cities in the nation for years, and to continue fighting homelessness, traffic congestion, and over-development in Carlsbad.

Mike is the candidate who solely represents the interests of the residents of Carlsbad, free from outside conflicts.

His campaign theme of "One Carlsbad" is intended to reinvigorate the core values of respect, tolerance and collaboration that make us a great city.

I humbly ask for your vote.
