

⑩ Addy's Life

By: Claire

Addy's family arrived in Carlsbad in July of 2022 from Bandon, Oregon.

Addy goes to Valley Middle School, & is in 8th grade.

Addy does dance, & sometimes puts on her point shoes for fun in her room (even though she's not supposed to).

Her favorite part about living in Carlsbad is that there's a lot to do around here, as opposed to Bandon. There's also more opportunities, like better schools & dance schools with pathways.

If Addy had to move, she would move to NYC because NYC Ballet & ABT are there.
