

# Minor Building Permit Inspection Self-Certification Declaration

B-70A

This form is required to participate in the city’s Building Permit Inspection Self-Certification Program (SCP), which allows for a California-licensed contractor to self-certify that certain minor building construction projects were completed in compliance with relevant building code standards in-lieu of a final inspection from the city. Refer to Informational Bulletin [IB-270](#) for additional information and requirements. This form is to be completed and submitted with a Minor Building Permit application (form [B-1](#)).

#### Declaration

I affirm and certify under penalty of perjury that:

1. I have reviewed and understand the requirements of the City of Carlsbad’s SCP program as detailed in Informational-Bulletin [IB-270](#) and will comply with those requirements.
2. I have received approval from the property owner to complete the work authorized under the referenced building permit and made them aware that completed work will be self-certified under this program.
3. I am a California-licensed B General Building Contractor with current worker’s compensation insurance, C-type Contractor depending on specialty with current worker’s compensation insurance, Civil Engineer or Structural Engineer, and my license in active.
4. I shall assume responsibility and liability for the overall installation, inspection, and certification of all work associated with the referenced building permit and will ensure that all work is completed in compliance with all applicable requirements of the California Building Standards Code as adopted and amended by the City of Carlsbad and in accordance with any manufacturer’s installation requirements.
5. I have reviewed and understand the requirements set forth in the Self-Certification Inspection Checklist ([Form 70-B](#)) and shall complete, sign, and return the form to the city following completion of all work authorized under the above referenced building permit.
6. I understand that the city may randomly audit the construction work for quality assurance, and I agree to provide access to work performed under this program when requested by the City of Carlsbad.
