## Q2 What would make going to city parks even better?

31	More pickle ball courts Better beach sand	1/8/2022 8:57 AM
32	Having more parks, especially in the southwest area of Carlsbad.	1/8/2022 8:56 AM
33	More coastal parks	1/8/2022 8:28 AM
34	More parks by the ocean! There's already so much development on the PCH and it will ruin the natural environment that's barely left :(	1/8/2022 8:24 AM
35	More pickle ball courts	1/8/2022 7:47 AM
36	If they were within walking or biking distance to our home in San Pacifico	1/8/2022 7:34 AM
37	If there was a coastal park in south Carlsbad	1/8/2022 7:20 AM
38	If there was a park that was closer to where I live.	1/8/2022 7:17 AM
39	More parks located in south Carlsbad along the coast	1/8/2022 6:57 AM
40	More parks close to the beach; particularly Ponto area.	1/8/2022 6:34 AM
41	I wish there were some parks that were walkable from my home honestly.	1/7/2022 11:46 PM
42	Build one in our neighborhood, the Ponto beach area.	1/7/2022 9:21 PM
43	Closer with walkable access to the park. Nice grassy area.	1/7/2022 9:20 PM
44	Being able to enjoy sunsets at our unmatched beaches and coastal open spaces.	1/7/2022 9:19 PM
45	Parks by the ocean. Build Ponto Park!	1/7/2022 8:59 PM
46	Less Rules and more Open spaces	1/7/2022 8:52 PM
47	More coastal locations	1/7/2022 8:39 PM
48	A park at Ponto. It's such an amazing opportunity to give all South Carlsbad residents and people from all over to enjoy equitable access to the coast. Do not give in to private development here.	1/7/2022 8:28 PM
49	Skateparks	1/7/2022 7:56 PM
50	More parks by the ocean. Build Ponto park.	1/7/2022 7:55 PM
51	To have more parks in neighborhoods do we can walk to them. This is important for veterans and elderly.	1/7/2022 7:48 PM
52	I like parks to be walkable and to have both passive and active features.	1/7/2022 7:38 PM
53	More parks by the ocean and less high density housing	1/7/2022 7:21 PM
54	A park near the ocean would provide open space for all of the community to enjoy instead of high density condos or resorts that do not. A park at Ponto would be a perfect way to preserve coastal land and provide a wonderful park for ALL to enjoy. Carlsbad has the opportunity to become a model for other cities by preserving areas now and for future generations.	1/7/2022 7:20 PM
55	Having more of them!	1/7/2022 7:15 PM
56	If we had a linear park behind the state campground. Linear Park is a much better option than the Ponto Park idea. Ponto Park will serve just a privileged few who are fighting to retain their ocean views at the expense of the greater population group.	1/7/2022 7:08 PM
57	Coastal/beach park space	1/7/2022 7:05 PM
58	Building a linear park on the narrow strip behind the campground.	1/7/2022 7:04 PM
59	A linear park behind the state campground. Linking the city to the beach and making it more accessible to all. Stretching from Palomar Road to Avenue Encinas.	1/7/2022 7:01 PM
60	Newer equipment, more garden area to sit and walk through, enough parking, activites offered.	1/7/2022 6:58 PM
61	Please build a "Linear Park" behind the state campground. It will transform the city to a world class city. That is a much better idea than a small Ponto Park.	1/7/2022 6:57 PM

## Q2 What would make going to city parks even better?

62	More Coastal Parks. Especially the large open space by Ponto beach / Avenida Encinas	1/7/2022 6:49 PM
63	If we had one in walking distance of our home.	1/7/2022 6:47 PM
64	I am an older woman, and the greatest need for me and my friends is comfortable seating in the shade, and well kept walkways.	1/7/2022 6:47 PM
65	We need more parks. So many families have small yards and the need for parks is critical for children to have areas to run and play.	1/7/2022 6:33 PM
66	There is really no need for a Ponto Park. Developing the space behind the campground is a better option and will serve a broader community and is a better alternative. They People for Ponto group do not represent the community, they are just a small vocal group, trying to protect the ocean views of a privileged few.	1/7/2022 6:29 PM
67	If there was a coastal park in South Carlsbad. We have very limited parks in the southern/coastal region of our city.	1/7/2022 6:28 PM
68	More park space in South Carlsbad coastal region please!	1/7/2022 6:25 PM
69	Bike/walk trails to connect them, and more parks.	1/7/2022 6:09 PM
70	More parks!! Build Ponto Ocean Park!! We need more open space not high density housing or strip malls.	1/7/2022 6:03 PM
71	Having more of them especially a coastal park in South Carlsbad	1/7/2022 6:00 PM
72	If there was a city park within walking distance of my home in South Carlsbad.	1/7/2022 5:54 PM
73	One that was on the COAST!	1/7/2022 5:49 PM
74	open spaces with trash receptacles to keep them clean	1/7/2022 5:49 PM
75	More of them	1/7/2022 5:43 PM
76	More trails that allow for a view - especially of the coastline.	1/7/2022 5:43 PM
77	Create Ponto Park and do not increase density in the area. There are fewer parks in our area vs. surrounding (e.g., Oceanside and Encinitas).	1/7/2022 5:40 PM
78	Views of ocean	1/7/2022 5:30 PM
79	Clearing out homeless people from thwm	1/7/2022 5:12 PM
80	Ponto park close by	1/7/2022 5:02 PM
81	Access — our home is in south carlsbad and we don't have reasonable access to a local park. Our kids can't bike or walk to a park...everything is miles away and requires crossing very busy streets and the freeway overpass. Only way to reach a park is by car.	1/7/2022 4:46 PM
82	I would have answered "all the time" in question #1, however I live in southwest Carlsbad and we don't have convenient access to a park like the other 3 quadrants of Carlsbad have. Would prefer a park in open space and not next to high density housing, and near the ocean like other cities have. However I don't like at all the concept of a linear park along 101. This design would restrict the design and the amenities you can offer and be too close to traffic. This is not what the people of Carlsbad want. A more traditional square space but still near the ocean works best.	1/7/2022 4:39 PM
83	Whiffle ball games	1/7/2022 4:37 PM
84	More access to lighted fields for my kids to play in the local rec lacrosse program. Last spring and this past fall the teams were practicing on top of each other.	1/7/2022 4:35 PM
85	Parks closer to my home location...parks by the ocean...Ponto Park!	1/7/2022 4:31 PM
86	More of them . Sitting areas for picnics, concerts in the park, play areas for children , spaces for dogs to run and play, walking paths	1/7/2022 4:31 PM
87	If they were more accessible	1/7/2022 4:26 PM
88	We live in the San Pacifico area and have no park within walking distance. A coastal park near Ponto would be great!	1/7/2022 4:19 PM

## Parks & Recreation Master Plan Update

89	Putting one near the coast in the SW quadrant WHERE WE DO NOT HAVE ONE!	1/7/2022 4:18 PM
90	More natural parks, more nature, more trees, good trails and a section for dogs on beaches	1/7/2022 4:18 PM
91	A Park at Ponto for access and use for those citizens in the area and others. I currently have to drive to other city parks	1/7/2022 4:14 PM
92	The Southwest quadrant requires equal amount of parks as Northwest. We do not even have an indoor gym	1/7/2022 4:05 PM
93	Open areas	1/7/2022 4:02 PM
94	We need a Costal park in south Carlsbad. The last remaining open space at Avenida Encinas and PCH should be made into a park!	1/7/2022 4:01 PM
95	If there was a coastal park in South Carlsbad. Like that perfectly beautiful area Ponto. Please don't turn it into south Orange County. We are a beach community, we need a coastal park!	1/7/2022 4:01 PM
96	As much open space as possible. Walking trails, views of the ocean, etc.	1/7/2022 3:59 PM
97	If there was a park located in south Carlsbad by the beach/Ponto.	1/7/2022 3:57 PM
98	Having a park nearby at South Pinto where I could walk to with my very young grandchildren. Taking them to the beach just doesn't cut it and a park would be much safer. Please?!	1/7/2022 3:55 PM
99	More parks closer to my home. Walking distance.	1/7/2022 3:54 PM
100	One that is near my home	1/7/2022 3:53 PM
101	More turf and lights at the parks for Lacrosse. Soccer dominates and doesn't give local lacrosse players field space	1/7/2022 3:53 PM
102	More of them.	1/7/2022 3:51 PM
103	A park along the coast near Ponto	1/7/2022 3:51 PM
104	It would be better if there were more parks near ocean, I understand there is potential to build a park at Ponto.	1/7/2022 3:51 PM
105	We need an additional park in southwest coastal Carlsbad.	1/7/2022 3:50 PM
106	More parks in South Carlsbad near the coast. There are no parks in the coastal area. We could use a park that could hold events and create picnic areas for families.	1/7/2022 3:50 PM
107	Bring back TGIF concerts.	1/7/2022 3:09 PM

110	Dog friendly	1/7/2022 7:19 AM
111	More pickleball courts for playing rather than more time waiting	1/7/2022 5:25 AM
112	more pickleball	1/6/2022 6:34 PM
113	More pickleball courts, please! More parking at Poinsettia Park.	1/6/2022 1:51 PM
114	Carlsbad does an excellent job!!!!	1/6/2022 12:12 PM
115	More pickleball courts in south Carlsbad. Stagecoach Park would be a perfect spot!	1/6/2022 9:53 AM
116	More of them. Especially coastal S CBad.	1/6/2022 8:42 AM
117	Having a dog park near the coast	1/6/2022 8:17 AM
118	There are more people playing pickleball at Poinsettia Park than any other sport. The courts are always overcrowded. We need more courts to accommodate all players.	1/5/2022 11:57 PM
119	More PICKLEBALL courts! We don't have enough. The wait is always so long.	1/5/2022 11:35 PM
120	having one closer and by the ocean! BUILD PONTO PARK	1/5/2022 6:24 PM

## Q2 What would make going to city parks even better?

121	It would be great to have more shade from trees in our parks and interpretative signage about the trees and plants in our parks.	1/5/2022 9:16 AM
122	Dog area (or dogs allowed) at stagecoach.	1/5/2022 7:08 AM
123	Update & repurpose unused areas in Old Carlsbad area: such as the unused horseshoe pit at Laguna Riviera Park and designate a small and large dog run at Holiday Park.	1/5/2022 12:12 AM
124	Safety is important. As well as diverse activities for others to enjoy.	1/4/2022 9:27 PM
125	More parks by the ocean - Ponto park!	1/4/2022 7:13 PM
126	More pickle ball courts	1/4/2022 6:51 PM

130	More pickleball courts.	1/4/2022 4:49 PM
131	More Pickleball space	1/4/2022 4:48 PM
132	More locations	1/4/2022 4:25 PM
133	More tennis courts	1/4/2022 3:35 PM
134	More parks.	1/4/2022 3:12 PM
135	More natural spaces, more trails/open space, more playgrounds that are not primary color plastic - more organic structures	1/4/2022 2:28 PM
136	Holiday park really needs a sidewalk that wraps around the entire park, and the bathrooms need toilet seat covers and a baby changing station. Safety is a huge issue at Pine Park, the homeless are always next to the playground, and fights break out amongst them, or the mentality unstable/drugged out ones are on the playground walking around shouting. Pine park also needs some shade over the playground, it's unusable on hot days (which is all the time in Southern California). Holiday park has a beautiful tree in the center that keeps it cool, and Pine needs something to the same effect.	1/4/2022 2:16 PM
137	More dog-friendly parks.	1/4/2022 1:06 PM
138	Clean bathrooms, shade coverings over all playgrounds	1/4/2022 12:33 PM

141	Trees for shade in the more open areas.	1/4/2022 12:22 PM
142	Even more trails, paths, hiking. Open views. A long, one-way paved bike path.	1/4/2022 12:21 PM
143	more pickleball	1/4/2022 8:39 AM
144	More pickleball courts.	1/4/2022 8:28 AM
145	More pickleball courts.	1/4/2022 8:27 AM
146	WiFi. Charging Station benches.	1/4/2022 7:40 AM
147	Shaded playgrounds. Walking paths. Skateboarding/scooter ramps	1/3/2022 11:58 PM
148	Add meditation gardens like self realization gardens in encinitas, an activity center for classes like Zumba, and Zumba gold, gentle yoga, cooking, art classes all ages. Was disappointed the community center was eliminated from Poinsettia Community Park. We needed an indoor activity center to meet needs of seniors and families in south Carlsbad besides sports. Transportation shuttles for concerts.	1/3/2022 10:47 PM
149	More pickleball courts - there are so few courts and lots of people who want to play.	1/3/2022 8:00 PM
150	more of them - especially near the ocean - Carlsbad should accept the 15 minute walk challenge and ensure there are parks in every neighborhood - Especially a Park at Ponto	1/3/2022 7:03 PM

173	discount in classes or events for Carlsbad residents. bike routes within parks or around them.	1/2/2022 7:55 PM
174	More pickleball courts. Pickleball is the only activity at Poinsettia Park which is seemingly always over-capacity.	1/2/2022 6:21 PM

187	More pickle ball courts	1/2/2022 1:27 PM
188	More pickleball courts	1/2/2022 12:58 PM
189	Parks should be within a short walking distance. Parks should have plentiful flat grassy areas for formal or informal gatherings.	1/2/2022 12:24 PM
190	Swimming at Alga Norte seems too expensive. Consider more resident discounts. We also despise going to Poinsettia during large events because the parking situation is so challenging.	1/2/2022 12:23 PM
191	Pickleball!!	1/2/2022 12:15 PM
192	More pickle ball courts	1/2/2022 11:42 AM

201	Until more City pool lifeguards are hired, rotate lifeguards between Alga Norte Pool and Monroe Street Pool (MSP) so that MSP patrons do not bear the entire burden of the lifeguard shortage. Alga Norte Pool patrons can drive to the MSP between 6:00am and 3:00pm for the next four months since MSP patrons have been driving to the Alga Norte Pool during those hours since September 2021.	1/2/2022 8:37 AM

There is more per person usage on these tennis courts over the course of a year than the 2 high school football fields that we all paid millions to fund. Secondly, a large acre off leash dog park is desperately needed.	12/31/2021 8:20 AM

410	More pickleball courts at Poinsettia park	12/31/2021 7:51 AM
411	more pickleball courts. because the challenge courts are monopolized by the the best players for 2 to 3 hours at a time until they are too tired to play many players do not go there anymore because of that. because the wait time to play on challenge courts is usually 20 to 30 mins or more while the same 4 people have a great day the rest wait then lose and then wait forever that sucks. no oter courts allow that around the country i have played many states and places carlsbad is the only place that would allow the same players to monopolize courts for as long as they please. usually you play 2 with your partner then split up or stay together and sit and wait for next game together this way it keeps things fair and equitable! for all players to enjoy your parks. i dont think you all know how bad it is and never intended it to be dominated by 4 or 5 players that are the best and therefore play continuously for hours i cant tell you how many times i and many others have showed up to play and left in disgust after sitting for 30 mins then losing to them only to sit for 30 again so we just leave if this policy changed it would be a much improved and happier place to play. because now what it means is wait and lose all day long its the least fun place i have ever played and dread going there. so keep the 2 courts as advanced players but you cannot allow unlimited play for the 4 winners it does not work! play 2 and split up or sit and stay with your partner andwait for next game like everyone else...this is how it is done at all other courts i have played i have played many places im still amazed the city would allow this kind of selfish domination of its public facilities its awe full.	12/31/2021 7:50 AM
412	More Pickleball courts	12/31/2021 7:43 AM

Also, please make sure to adjust the water on the grass, because there are times when it is just too muddy - the grass is not getting a chance to get dry (even in summer). Also, the park next to La Costa Heights Elementary School is not a dog park, but there are always too many dogs there! And the dog owners do not pick up after their pets :(	12/30/2021 10:54 PM

554	More trees and shade maybe. More art events after the pandemic	12/30/2021 7:38 PM
555	More restrooms that are kept clean. More pickleball courts - it's the fastest growing sport in the US - has been for at least 4 years running yet Carlsbad is WAY behind in representing the sport. The number of tennis courts that sit idle is ridiculous. At the very least, double line half of the courts & have nets available just like they do at Cottonwood. At Poinsettia have one day a week that is men only & one for women only. Innovative & INCLUSIVE playgrounds	12/30/2021 7:30 PM

598	More of them	12/30/2021 5:59 PM
599	Pretty good now but opening Monroe would be great	12/30/2021 5:59 PM
600	I swim at Alga Norte at least once every week. I would go more often if the pool opened earlier. It opens at 6 AM during the week. I wish it opened much earlier on the weekends - it's too late for me to use.	12/30/2021 5:56 PM
601	20 more pickleball courts!!!	12/30/2021 5:52 PM

626	More trails connected to parks or nearby	12/30/2021 5:16 PM
627	I love them being open, bathrooms open. I like the open space, lots of benches helps.	12/30/2021 5:16 PM
628	Prosecute the riff raff thugs who consistently give security, families, and young kids trouble without any real consequences. This is mainly a skate park issue at Alga. The same handful bad apples ruin the park experience over and over for the vast majority of residents and visitors.	12/30/2021 5:15 PM

642	Pickleball courts are always so crowded. I like to play on competitve courts and the wait is too long. The sport is growing faster than anyone can keep up so now I belong to Castle Creek. It sucks because Poinsettia is a 10 minute drive and CC is 30.	12/30/2021 5:04 PM

652	More Pickleball courts	12/30/2021 4:51 PM
653	later swim times at Alga Norte swim complex. Turning more of the tennis courts into Pickleball courts at Poinsettia Park or add courts to other parks.	12/30/2021 4:49 PM

667	More swim lap lanes. More hiking trails and easy parking at trailheads.	12/30/2021 4:37 PM

697	more interesting play structures. Other parks in other cities that I have gone to have balance, spinning and climbing structures that are very fun. There are also building toys (like large Lego) or large rafts with long poles to get across large but shallow ponds. There are treehouse type structures that the children can run across rope bridges and climb down rope ladders. We need more creative structures in our city parks!	12/30/2021 4:00 PM
698	More pickleball courts that are free and lit at night	12/30/2021 3:59 PM

## Q2 What would make going to city parks even better?

723	as long as we can bring our dogs there, they're good!	12/30/2021 3:48 PM
724	The woody area at Stagecoach park used to be one of our favorite areas. We'd visit the giant tree, and walk a beautiful path through the trees. But at some point the park stopped maintaining the pathways. I understand the need for the fencing at the top of the hill, but people would ideally still be able to access the area through the main entrance. Would just take someone clipping the branches periodically. It's such a beautiful nature area, and I would love to be able to take my family into it again.	12/30/2021 3:48 PM
725	More mountain biking parks	12/30/2021 3:47 PM
726	More tennis and pickle ball courts	12/30/2021 3:47 PM

733	My kids enjoy outdoor park	12/30/2021 3:41 PM

748	Bike Park and More Dedicated Pickleball Courts	12/30/2021 3:27 PM
749	Native trees and habitat islands. Basket ball courts reserved for girls. The young males dominate the courts. Walls to bounce balls off. Security cameras. I am afraid to walk the canyon walk alone. Areas for seniors to exercise that don't have a fee.	12/30/2021 3:27 PM
750	Enforcement of dog excrement & leash laws	12/30/2021 3:26 PM
751	Would feel safer if there were no homeless folks in the parks and no dogs. People unleash their dogs so they can run free, not thinking that others might be concerned for their safety.	12/30/2021 3:25 PM
752	not allowing dogs. Their owners let them crap all over the trails.....disgusting.....@ Lake	12/30/2021 3:25 PM

833	Enforcing the "No Dog Rules". It's not acceptable that the city put this rule on a sign as a "CYA" but do nothing to enforce it. Every park and beach access has it on the sign. It's not fair for those of us who want to be good citizens and follow codes and rules while others feel the rules of society are for others and not them	12/30/2021 2:20 PM

889	More Pickleball courts	12/30/2021 1:51 PM
890	More biking areas	12/30/2021 1:50 PM

## Parks & Recreation Master Plan Update

891	More exercise options. Bike trails, pickle ball & hiking trails.	12/30/2021 1:50 PM
892	Concert in the park	12/30/2021 1:49 PM
893	Allowing dogs on leashes	12/30/2021 1:49 PM
894	The playground equipment offered is outdated and uninteresting for all ages. I have family in the Midwest and their parks have endless options in their play structures. Our children deserve interesting, challenging and developmentally appropriate structures. I know they are available and the city has plenty of money to purchase, install and maintain them. It's embarrassing what other communities offer their children compared to Carlsbad. I am happy to offer examples.	12/30/2021 1:49 PM
895	More concerts in the park	12/30/2021 1:48 PM
896	More rest rooms and places to sit	12/30/2021 1:48 PM

900	I can't think of anything.	12/30/2021 1:45 PM
901	Quiet nature with babbling brooks.	12/30/2021 1:45 PM
902	More trails and open grassy space for relaxing or picnicking.	12/30/2021 1:43 PM
903	Grass is too wet to play on.	12/30/2021 1:43 PM
904	Officially allow dogs	12/30/2021 1:42 PM
905	Community gardens	12/30/2021 1:42 PM
906	- A running track! - More trees and more grass areas are always nice. - Less space dedicated to dogs areas and more for people.	12/30/2021 1:42 PM
907	A grass dog park	12/30/2021 1:40 PM
908	More parks and parks that are actually parks not a picnic bench on a plot next to the freeway that is called a park and added into the footage to achice the required total	12/30/2021 1:40 PM
909	More outdoor music events, even small acoustic ones... LOVED the TGIF series!	12/30/2021 1:40 PM
910	I would love a frisbee/disc golf course	12/30/2021 1:39 PM
911	Having more native plants	12/30/2021 1:39 PM
912	The online pool system schedule was awful, I changed to Oceanside as a result	12/30/2021 1:38 PM
913	Less entitled Carlsbad privileged brats cussing and acting like they own it.	12/30/2021 1:38 PM
914	I live be pointsettia park and I already love so much about it. Very clean and well kept. I am excited for the dog park	12/30/2021 1:38 PM
915	More parking	12/30/2021 1:38 PM
916	Less non-Carlsbad residents using the parks	12/30/2021 1:38 PM
917	Ensuring that parks are clean and safe are of outmost importance. I think it will be good if you can offer group activities, e.g., Zumba, and outdoor events to attract more people.	12/30/2021 1:37 PM
918	No ebikes. No motorized vehicles.	12/30/2021 1:36 PM
919	clean	12/30/2021 1:36 PM
920	More security	12/30/2021 1:35 PM
921	They are crowded w youth sports teams and parking lots crowded	12/30/2021 1:35 PM
922	More swim lanes	12/30/2021 1:34 PM
923	fewer dogs	12/30/2021 1:33 PM

## Q2 What would make going to city parks even better?

924	Making separate bicycle routes as kids on bikes are careless about relinquishing sidewalk space to walkers	12/30/2021 1:33 PM
925	more benches	12/30/2021 1:32 PM
926	South Carlsbad needs a community pool - Stagecoach area would be great. Then LCC and other local schools could rent the pool for practices and sports events.	12/30/2021 1:32 PM
927	Parking is difficult at some parks during sports events	12/30/2021 1:31 PM
928	more runny/walking trails	12/30/2021 1:31 PM
929	If the rule regarding no dogs allowed was enforced	12/30/2021 1:31 PM
930	More parks in the Village area. Beach boardwalk/park needs benches with backs for seniors. Also, concrete on the boardwalk needs to be replaced. Ocean Avenue/beach parking needs more handicapped parking spaces.	12/30/2021 1:31 PM
931	Security guards	12/30/2021 1:30 PM
932	Have some type of regulations from homeless camping there overnight and taking over the sitting areas with there personal possessions	12/30/2021 1:30 PM
933	More swimming facilities	12/30/2021 1:29 PM
934	Enhanced pool hours at Monroe St pool	12/30/2021 1:29 PM

938	Lights and not having the grass saturated	12/30/2021 1:28 PM
939	Limiting the number of non residents.	12/30/2021 1:28 PM
940	BAN DOGS FROM GRASSY AREAS. KIDS CAN'T PLAY ON THE GRASS BECAUSE OF DOG POOP - EVEN IF PICKED UP, THERE ARE SMEARS AND SMALL DROPPINGS.	12/30/2021 1:28 PM
941	Bigger and better play grounds. More kids type educational events.	12/30/2021 1:28 PM
942	more running trails	12/30/2021 1:27 PM
943	Allow leashed dogs to walk on side walks through the parks. I've been stopped by the park ranger for doing just that.	12/30/2021 1:27 PM
944	Parks and Recreation Management doing a poor job of enforcing policy. All talk. Dogs in parks, off leash on trails, do not enforce community garden policy. Lots on waiting list but no action on inactive gardeners or those violating policy	12/30/2021 1:27 PM
945	Making sure the bathrooms are always clean	12/30/2021 1:25 PM
946	More poop bag dispensers for dogs.	12/30/2021 1:25 PM
947	Monitoring homeless so that it does not feel unsafe to walk alone or take children.	12/30/2021 1:25 PM
948	Abundant seating and shade	12/30/2021 1:25 PM
949	maybe more dogs parks, more green space	12/30/2021 1:24 PM
950	Having more pickleball courts including courts with lights (since I work during the day).	12/30/2021 1:24 PM

955	No dogs allowed.	12/30/2021 1:22 PM

## Parks & Recreation Master Plan Update

956	Better/ More turf fields	12/30/2021 1:22 PM
957	Plenty of walking space and trails, trees, native landscaping.	12/30/2021 1:22 PM
958	One that I could walk to.	12/30/2021 1:22 PM
959	If the playgrounds weren't so busy, more shaded areas, bathrooms at the smaller parks, an race track/field area for kids/adults	12/30/2021 1:22 PM
960	Dog friendly and more shade structures	12/30/2021 1:21 PM
961	Trees for shade, or areas with shade and seating.	12/30/2021 1:21 PM
962	ample parking and clean restrooms	12/30/2021 1:20 PM
963	More parks	12/30/2021 1:20 PM
964	Allowing residents to bring along their beloved dogs, and offering MANY more off-leash friendly dog parks and trails - as most other cities do. Carlsbad comes off as very unfriendly toward family-member pets. This issue needs to be rectified quickly. It mustn't be left up to other nearby cities to offer Carlsbad pets fun places to play and explore, off-leash. The two bark-covered dog parks available in Carlsbad are highly inadequate, and cause paw injuries and veterinary expenses.	12/30/2021 1:20 PM
965	Maintaining a clean and SAFE environment.	12/30/2021 1:19 PM
966	more gardens	12/30/2021 1:19 PM
967	Space and fresh air	12/30/2021 1:18 PM
968	Continued upkeep/refurbishment of facilities	12/30/2021 1:18 PM
969	Pet friendly, athletic opportunities like pickle ball	12/30/2021 1:17 PM
970	Have more shaded patio area for doing activities like Taichi or dance	12/30/2021 1:17 PM

972	More meeting places and party places	12/30/2021 1:16 PM
973	Ample parking (including handicap spaces) and clean, accessible restrooms	12/30/2021 1:16 PM
974	more bike areas	12/30/2021 1:15 PM
975	N/A	12/30/2021 1:14 PM
976	More dog parks, allowing dogs on leashes to walk the perimeter of the parks; a park west of I-5 in the southeast quadrant of the city	12/30/2021 1:13 PM
977	More events	12/30/2021 1:13 PM
978	walking path softer than concrete	12/30/2021 1:12 PM
979	Bigger better playgrounds and skate parks	12/30/2021 1:11 PM
980	Maybe more shaded play areas	12/30/2021 1:10 PM
981	More versatile use tennis/pickle ball courts (we use pickle ball equipment to play "tennis")	12/30/2021 1:10 PM
982	More shade trees and less over-pruning of the shrubs we have. Being able to walk my dogs on leash.	12/30/2021 1:10 PM
983	Build a disc golf course at Hosp Grove	12/30/2021 1:09 PM
984	If dangerous drug-dealing vagrants weren't there	12/30/2021 1:09 PM
985	Our family uses the pool at alga Norte. More lanes for free swim would help. When I get off work and go to pool there's usually full lanes	12/30/2021 1:09 PM
986	Maybe a sitting area that is a little more not so out in the open - an area where you can go to read, enjoy the sunshine etc. just not a park bench right in t he middle of everything.	12/30/2021 1:08 PM
987	More pickle ball courts	12/30/2021 1:08 PM

## Q2 What would make going to city parks even better?

988	Good the way they are.	12/30/2021 1:06 PM
989	Adequate parking for dog park and soccer fields	12/30/2021 1:06 PM
990	Love the parks. Sounds crazy but a rec room where people can check out items (board games, frisbee, bocce ball, etc..) This will bring in jobs	12/30/2021 1:05 PM
991	A system whereby you could sign up late for a class, at least 2 weeks after a 4-5 week class has started, if the class is not full	12/30/2021 1:05 PM
992	Clean facilities, accessible bathrooms	12/30/2021 1:04 PM
993	being able to walk our dogs as we do in the city of O'side, Encinitas and Del Mar. Responsibly, of course	12/30/2021 1:04 PM
994	I appreciate when the parks are geared for all ages. I love it when there's a walking path with exercise stations. I love playgrounds, skate parks, picnic areas with shade, and multi use fields. I find that the one thing the city is lacking is enough pools. Pools meet the demands of all ages and currently the 2 pools we have are impacted with the various user groups. Another thing that would make the parks better is if we had some beach volleyball courts with nets that were always up. The courts at the beach are always controlled by the tamarack beach volleyball club.	12/30/2021 1:04 PM
995	If my grandchildren lived close and visited often	12/30/2021 1:03 PM
996	Open space for off leash dogs. Pickle ball courts/	12/30/2021 1:03 PM
997	Shade and playground equipment that stays cool in summer. Some slides would cause a burn injury	12/30/2021 1:03 PM
998	A concern is how to keep children's play equipment as virus-free as possible. If something could be done to address that concern, going to city parks would be even better. But our parks are very nice.	12/30/2021 1:03 PM
999	More dog-friendly parks	12/30/2021 1:02 PM
1000	More parks by the beach to enjoy our ocean.	12/30/2021 1:02 PM
1001	Turn over the tennis and pickle ball courts to private management under contract with the city. Similar to Rancho Penasquitos	12/30/2021 1:01 PM
1002	Making a dog park like "Power line dog park" in Encinitas	12/30/2021 1:01 PM
1003	More varieties of botanicals with QR signs to download info, like at the Batiguitos Lagoon. More interactive stations. Meandering paths. Ample parking.	12/30/2021 1:01 PM
1004	Walking paths and nature trails that are non concrete paths, offering dog poop bags, trash cans , community gardens , more seating areas . Better lighting at Poinsetta tennis courts specifically the lower courts #1-4. Having bathroom built will be better too (close to the courts).	12/30/2021 1:01 PM
1005	Water bottle filling stations at all parks, more play structures intended for climbing (like rope climbing courses, climbing domes)	12/30/2021 1:01 PM
1006	I would like to see better "picnic" and "small event" facilities, such as outdoor or enclosed food prep stations where hand washing and serving counters with electrical outlets. In addition, small performance platforms with electrical outlets for gatherings.	12/30/2021 1:01 PM
1007	Less transients	12/30/2021 1:00 PM
1008	If parks included culture like theater etc.	12/30/2021 1:00 PM
1009	Vending machines	12/30/2021 12:58 PM
1010	More swimming pools	12/30/2021 12:58 PM
1011	Less drug dealers, esp. in the bathrooms	12/30/2021 12:58 PM
1012	Detailed maps	12/30/2021 12:58 PM
1013	Safety (homeless population) Age appropriate restrictions (fewer teenagers overtaking the park on their ebikes)	12/30/2021 12:58 PM

## Parks & Recreation Master Plan Update

1014	They are great but maybe sanitizer stations	12/30/2021 12:57 PM
1015	Keeping dogs off of fields that say "no dogs allowed". Dog shit and kids do not go together.	12/30/2021 12:56 PM
1016	More places to take dogs. More hiking trails.	12/30/2021 12:56 PM
1017	better parking and more pickleball courts. Also, upgrading the Dog park to grass instead of the bark that is currently used.	12/30/2021 12:56 PM
1018	concerts and gatherings with grass and picnic tables	12/30/2021 12:55 PM
1019	Allowing dogs	12/30/2021 12:55 PM
1020	Skateparks (or skateboard-friendly areas/features) in more parks. Restroom facilities in all parks. Water-bottle filling stations in all parks. Bike-friendly trails.	12/30/2021 12:55 PM
1021	We definitely need more pickleball courts.	12/30/2021 12:55 PM
1022	Bathrooms	12/30/2021 12:54 PM
1023	More sports areas, convert Stagecoach field 1 to turf so it can be used year round	12/30/2021 12:54 PM
1024	More parks	12/30/2021 12:53 PM
1025	I enjoy hiking and walking. Emphasizing trails and inter-connected trails would be a benefit	12/30/2021 12:53 PM
1026	Better all around lighting, solution for muddy areas during and after rain, all dog parks be grass, more Rest Rooms and drinking fountains.	12/30/2021 12:53 PM
1027	Clean bathrooms at all parks.	12/30/2021 12:53 PM
1028	I would love to see some more variety of use spaces. Trails/tracks for riding non-motorized bikes with banked turns and small rolling hills. Level Asphalt or concrete trails for families to go on long bike rides or roller blading together ( maybe with bathrooms and picnic tables at the halfway point). Dirt tracks for driving RC cars, maybe with small scale terrain features. This could be a great opportunity for youth to practice filmmaking and a tremendous resource for kids who desperately need ways to engage outdoors that aren't part of a competitive sports league. One thing all of north county lacks is a dedicated area for flying drones. This could adjoin RC car tracks and miniature filmmaking Towns and become a skill building hub that could lead to future careers for lots of youth. Perhaps an amphitheater for scout troops and other outdoor education purposes.	12/30/2021 12:53 PM
1029	Nothing	12/30/2021 12:52 PM
1030	Parking for sporting events	12/30/2021 12:52 PM
1031	Can't think of anything. They are perfect	12/30/2021 12:52 PM
1032	Grassy dog park instead of wood chips.	12/30/2021 12:52 PM
1033	Not approving Severely Mentally Ill housing within close proximity to parks and schools. Patrolling parks to keep them free of undesirable elements...Holiday and Pine Parks	12/30/2021 12:52 PM
1034	Some fields (baseball) are not open because they will be used for organized sports in future, I would like to see them not locked up when not in use, since this is a public park, not only for paid sporting activities.	12/30/2021 12:52 PM
1035	more pickleball courts!	12/30/2021 12:51 PM
1036	Dogs in parks on leash to be changed	12/30/2021 12:51 PM
1037	More parking for events like FNL and soccer tournaments.	12/30/2021 12:51 PM
1038	Great lighting for night time walking & to enjoy the park in the evening.	12/30/2021 12:51 PM
1039	Less Homeless	12/30/2021 12:50 PM
1040	I would love to see native plantings and areas for kids to experience wildlife	12/30/2021 12:50 PM
1041	I prefer San Marcos and Vista parks because they are more natural and graceful. They have more trees, incorporate walking trails that not just dead, and have no homeless people. The playgrounds are more organic too. Carlsbad parks are very sterile.	12/30/2021 12:50 PM

## Q2 What would make going to city parks even better?

1042	Less homeless people and vagrants.	12/30/2021 12:50 PM
1043	Snack bar, more benches for us old decrepid people	12/30/2021 12:49 PM
1044	more kid activities/play areas	12/30/2021 12:49 PM

1047	Having more pickleball courts.	12/30/2021 12:48 PM
1048	No sand. More table/benches. Shade.	12/30/2021 12:48 PM
1049	Allow Dogs	12/30/2021 12:47 PM
1050	Skate or water features	12/30/2021 12:47 PM
1051	Less homeless people	12/30/2021 12:47 PM
1052	Bike park	12/30/2021 12:46 PM
1053	Opportunities for pickle ball.	12/30/2021 12:46 PM
1054	If they had enough pickleball courts I would go every day!	12/30/2021 12:46 PM
1055	Natural features for kids to climb on.	12/30/2021 12:46 PM
1056	I'm older and there isn't much in the parks for me.	12/30/2021 12:46 PM
1057	Besides making them larger and more of them, not much.	12/30/2021 12:46 PM
1058	More Pickleball courts. Cheaper access to swimming pools for adult residents.	12/30/2021 12:45 PM
1059	1. More passive use pocket parks with nearby parking so older individuals can easily access an outdoor space, 2. allowing dogs on lease to visit the park in the passive use areas, 3. more soft scape; large trees and grass and less hard scape	12/30/2021 12:45 PM
1060	More softball parks	12/30/2021 12:45 PM
1061	More cleanliness and maintenance of structures	12/30/2021 12:44 PM
1062	more open field dog parks, more bike parks for teens, tennis or pickle ball courts, handball courts	12/30/2021 12:44 PM
1063	Having trails around the parks	12/30/2021 12:43 PM
1064	Designated dog areas Low noise areas Let skate parks have an area to themselves	12/30/2021 12:43 PM
1065	A better trail system in the open spaces.	12/30/2021 12:43 PM
1066	Dogs on leashes, and owners of dogs being more responsible, especially around kids, and knowing the rules. Also more open times for fields, seems as soccer rules all fields and has more times and it limits the fields availability too much. Or, post the times that are unavailable to the public, or even post times that are open on the fields for the kids to play beyond the limited green spaces	12/30/2021 12:43 PM
1067	More Theater Plays events.	12/30/2021 12:43 PM

1073	Quiet benches and areas.	12/30/2021 12:42 PM
1074	Just making sure it's safe for all (no homeless living in the bathrooms, ext.)	12/30/2021 12:42 PM
1075	Actually, I feel you have done a good job. Wish the dog park closest to me separated the smaller dogs then I would use it	12/30/2021 12:42 PM

## Parks & Recreation Master Plan Update

1076	If they were free of the homeless and we felt safe going there.	12/30/2021 12:41 PM
1077	shady place to walk	12/30/2021 12:41 PM
1078	More community events	12/30/2021 12:41 PM
1079	Having more planned activities	12/30/2021 12:41 PM

1081	Deal with homeless in the village. More bathrooms.	12/30/2021 12:41 PM
1082	Allowing dogs on a leash in the parks with notes to pick up after your pet.	12/30/2021 12:41 PM
1083	I think as we move forward past the pandemic, we have learned to appreciate multi-use outdoor opportunities vs. single-use ball fields, dog parks, etc. Moving forward, it would be great to think of park space as opportunities for all types of users, with park benches, small entertainment venues, walking paths, places for outdoor festivals and similar events, pop-up food kiosks, and perhaps even cafes or other dining options as part of the available offerings. I would love to see areas that are also designed just for the experience of enjoying space outside, which could include hard surfaces such as piazzas with fountains, etc. Finally, I think it important to not only "design" the park spaces, but also look at public access to get to and from the spaces, with consideration for well-designed, pedestrian-friendly opportunities.	12/30/2021 12:41 PM
1084	Easier access to parking.	12/30/2021 12:40 PM
1085	Allowing dogs on a leash	12/30/2021 12:40 PM
1086	More shade areas	12/30/2021 12:40 PM
1087	Walking dogs there.	12/30/2021 12:38 PM
1088	More bike trails & bike skills areas	12/30/2021 12:38 PM

101	I most enjoy the natural open space and scenery. Its nice to get away from the fast paced life and visit a park, and again, near the beach would be much needed, especially in South Carlsbad where I live. The worst would be doing high density housing at Ponto	1/7/2022 3:51 PM

The city is constantly upgrading and improving parks like Bressi & Poinsettia. Enough is enough, the city needs to stop playing favorites to areas they think are more affluent and deserving of quality park services. More people are purchasing in the Old/Olde Carlsbad area. Many of us are affluent too and deserve to have updated parks for our children instead of the old neglected parks in our neighborhoods.	1/5/2022 12:12 AM

990	Being outdoors and relaxing in grassy areas. Not being harassed and intimidated if my dogs are along with me while in Carlsbad. Antiquated and discriminatory rules toward our furry family members must be abolished. Most dogs are in fact better behaved, and more sanitary, than many people's children! Yet children are allowed everywhere. People are animals too. This is a scientific fact. People's animal dog family must be allowed to join them for outings in Carlsbad, while also unperturbed by overzealous enforcement of arcane laws. Most people in Carlsbad have dogs, and realize how unfriendly our city is toward them. This is a shame!	12/30/2021 1:20 PM

1118	With much more time having to be spent inside one's homes, particularly with much business being conducted in virtual formats, it has been enjoyable to use parks as a means of getting out in the fresh air to simply enjoy the spaces. I appreciate the picnic areas as well as the open lawn areas that allow for putting down a blanket and sharing a picnic with family or friends. We have made use of the BBQ areas as well. It has also been a welcome location for small gatherings with youth groups such as Scouts, for example, during times when indoor gatherings have been discouraged. In the past, we enjoyed the Carlsbad summer "Concerts in the Park" and look forward to their return in the future.	12/30/2021 12:41 PM

obstacle courses, light gymnastics, core/balance moves to music, etc. ). I always wished there were more of that kind of thing for kids and adults in the Park & Recs in North County (and tai-chi not just for 50+). Otherwise some weekend camps would be lovely! He did a week long summer one (science) that he adored, but some weekend long ones (particularly on long weekend with holiday/school closures?) here and there we'd definitely do. Any classes focused on science, engineering, Legos and such are a huge interest and would have him wanting to sign up. Oh, does Carlsbad have any performance arts programs? More gender neutral and not just dance classes? He loves to perform but I have a hard time finding classes locally.

When I was in the military, a lot of my officer friends who played intercollegiate Water Polo went on to be special ops officers who were SEALs, Combat Controller, and Pararescuers. Water Polo teaches leadership and teamwork, and your local club team (Carlsbad Water Polo) has really made a positive impact in a lot of young lives in our community. More areas for skateboarding. More bike and pedestrian trails independent of automobiles leading between neighborhoods, schools, and major public gathering spaces--cars drive too fast and aggressively here. Dirt tracks and trails for mountainbikers. Look at the city of Folsom, CA, and how they integrated cycling into their city design. Kids had somewhere safe to walk and bike to schools, parks, and athletic centers.	12/30/2021 2:33 PM

## Q5 What specific sports leagues, fitness classes, special interest classes and camps would interest you and members of your household?

one built in rainier by a contractor that was not a track builder and they made a huge track no one uses cause it is designed so terribly.....not Elsinore wants to know why no one comes to it. The truth is because it is a botched job.....also the one in Carmel valley was supposed to be for bikes.....it was contracted out to spohn ranch...a skate park builder(don't get me wrong, they are an amazing skate park builder) but they designed it for skate boards....so once again the bikers get run off into the hills they we are getting kicked out of because another skate oriented park was built. Sorry if it seems like I'm ranting, I'm just raising 2 kids that race bmx and I grew up racing motocross here as well as bmx. The best motocross riders in the world as well as the top factories for the sport are right here in San Diego. Bikes are the best way for Mx riders to cross train and have fun.....the entire community is missed by our cities cause skaters get a park every 2 blocks and no bikes are ever allowed. You should go to the Temecula pump track and ask everyone how far from the track they live....on most days 8 out of 10 are and hour plus away. We all go there and spend our money and time in Temecula cause we have nothing here.

1039	Kids cooking classes, little kids soccer and baseball, swim classes, drama camp	12/30/2021 1:05 PM
1040	We are swimmers and are very invested in Alga Norte and Monroe Street. Carlsbad still needs an additional pool and/or an opportunity to join a swim team besides NCA in Carlsbad. It is unfair to so many kids that have to commute to other cities every day to have something different than the monopoly NCA has. It's impossible for the public to even swim at Alga Norte after 3p every day because NCA occupies 19 out of 20 lanes. Many people have complained about this!	12/30/2021 1:05 PM

In North Carlsbad they have Chase field and families can picnic and use snack bar and it generates a true community feeling and a safe activity for the kids. We don't have that in South Carlsbad.	12/31/2021 10:47 AM

## Parks & Recreation Master Plan Update

344	dog parks, SAFE walking areas	12/31/2021 9:43 AM
345	pickleball. the 6 courts are great but need more there are long waiting lines. I was surprised that the new DOG part is bigger than the current pickleball courts. Yu can walk your dog ANYwhere in the beautiful parks all over SD but very limited locations for pickelball. Even the tennis courts are not unutilized are much as the pickleball courts, i have never seen people waiting to play tennis and thet are 10 courts and tak up LOTS of space. Please note that the new bathroom has a tin/metal roof on it. It reflects on \the pickleball courts and is blinding and make the courts somewhat unusable (sunglasses do not even help) :( Brent 858.692.1844 bhaws@san.rr.com	12/31/2021 9:36 AM

## Parks & Recreation Master Plan Update

840	Community events, concerts, chalk art days, 4th of July party etc	12/30/2021 1:51 PM
841	As I said, our parks are pitifully lacking in interesting and updated play structures. They are minimal and lacking in diverse strength and fun activities. I can share examples of what is offered in Missouri and Minnesota to name a few.	12/30/2021 1:51 PM
842	Places to ride off-road motorcycles	12/30/2021 1:50 PM
843	Not sure. 🤔	12/30/2021 1:49 PM
844	Park benches, streams, QUIET SURROUNDING WHERE NATURE IS PREVAILING.	12/30/2021 1:49 PM
845	More holiday events.	12/30/2021 1:48 PM
846	Finding or creating a nice long, uninterrupted beach walk. Seems all our beaches accommodate short walks and then beach runs out or some lagoon pops up and you can no longer walk the beach, have to turn around. I'd like to see a five mile stretch of walkable beach like on the east coast, possibly with boardwalk running alongside like up in Cambria on the coast where the elephant seals lay. More opportunities to view our natural wildlife, perhaps a preserve where you can walk on top of the lagoon or lake water and see the wildlife, take pictures, but jetting into the water rather than just walking a trail like batiquitos. How about more language classes?	12/30/2021 1:48 PM
847	Pickleball	12/30/2021 1:47 PM

## Parks & Recreation Master Plan Update

909	None. I feel there are plenty already. A city of Carlsbads' size cannot please everyone .Focus on the quality of life and improve streets and roads with much better access.	12/30/2021 1:14 PM
910	Pickleball	12/30/2021 1:13 PM
911	Dancing and other activities with people over 50 in mind	12/30/2021 1:13 PM
912	Pickle ball on versatile courts that can accommodate tennis or pickle ball	12/30/2021 1:12 PM
913	Another pool at Alga Norte park	12/30/2021 1:11 PM
914	Pickleball (more courts, groups to meet players of same skill level), walking and hiking groups in order to meet more people of your own skill level	12/30/2021 1:11 PM
915	Pickle ball	12/30/2021 1:11 PM
916	Pickle ball	12/30/2021 1:10 PM
917	Not sure at the moment	12/30/2021 1:10 PM
918	Fitness classes	12/30/2021 1:10 PM
919	Not sure	12/30/2021 1:09 PM
920	More pickleball courts and don't charge seniors to pay	12/30/2021 1:07 PM
921	Keep thinking of ways to link all the trails and make them known and easy to use. More opportunities for fishing	12/30/2021 1:07 PM
922	More swimming opportunities for the general public in the afternoons and early evenings. NCA occupies 19 out of 20 lanes at Alga Norte every single weekday after 3pm? What about all the other citizens of this city? Are we all to share one lane? It's ridiculous.	12/30/2021 1:07 PM
923	Dancing - Bring culture to the community.	12/30/2021 1:06 PM
924	I think most things are well covered	12/30/2021 1:06 PM
925	Free concerts in the park.	12/30/2021 1:05 PM
926	Whatever young folks want most, we just like to walk our dogs	12/30/2021 1:05 PM
927	Tennis, Swimming	12/30/2021 1:05 PM
928	I've heard pickleball is really fun! Don't know if Carlsbad has facilities.	12/30/2021 1:05 PM
929	More bike trails made of dirt. Being able to walk/bike around agua hedionda (AH), need ti make a trail from AH to beach - it's time. Connect all trails to/from agua hedionda from the north side.	12/30/2021 1:05 PM
930	Beach volleyball, pickleball, water polo, disc golf.	12/30/2021 1:05 PM
931	Carlsbad has very good offerings	12/30/2021 1:04 PM
932	Ability to take my dog to ANY park not just specific off leash parks. Being leashed is not a problem, but we should be allowed to enjoy ANY park.	12/30/2021 1:04 PM
933	Improved access to swimming to non school and club fitness	12/30/2021 1:04 PM
934	I think Carlsbad has wonderful opportunities for recreational activities with the exception of family and multi-generational activities.	12/30/2021 1:04 PM
935	Skateboarding	12/30/2021 1:03 PM
936	Keep Monroe street pool open every day	12/30/2021 1:03 PM

938	Swimming and water polo	12/30/2021 1:02 PM
939	Dance	12/30/2021 1:01 PM
940	The current and proposed plans are so predictable they are simply boring. You can learn much from European designs and park-dependent cities like NYC.	12/30/2021 1:01 PM

## Q6 What recreational activities would you like to see more of in Carlsbad?

941	Inclusive teams and 1st time players of all ages	12/30/2021 12:59 PM
942	Running events	12/30/2021 12:59 PM
943	adult flag football leagues	12/30/2021 12:59 PM
944	More swimming hours	12/30/2021 12:58 PM
945	Lap swim pools and more parks for kids	12/30/2021 12:58 PM
946	Skateboarding options (like Leucadia/Encinitas includes in all park designs...see new park on Olympus & across from Leucadia donuts) Mountain Bike trails!!	12/30/2021 12:58 PM
947	I love to hike and also places to take my dogs on and off leash.	12/30/2021 12:57 PM
948	Open pool hours.	12/30/2021 12:57 PM
949	walking paths in the park on Faraday and Cannon -park coming soon?	12/30/2021 12:57 PM
950	We enjoy tennis, pickle ball, dance, yoga, meditation, and outdoor entertainment with musicians from a variety of genres. Movies in the park would also be welcome. Also, it would be great to encourage more community-focussed festivals, art or craft shows, car shows, and other similar opportunities. We participated and really enjoyed the Taste of Carlsbad that took place earlier this year. While that didn't occur in a park, those kinds of activities would be welcome in public spaces. Again, I would also encourage thinking about "unprogrammed" spaces, such as piazzas and other areas where people can enjoy being outside and sharing coffee or food, without having to participate in a "recreational activity." Please review the park planning ideas from Gil Penalosa called "8 to 80" which refers to planning park spaces that can be enjoyed by multiple generations. I would add to that the concept of designing spaces with access to promote equity and inclusion. What better way for community members from all walks of life to come together than by enjoying outdoor venues with food, entertainment, and quiet people-watching opportunities! Since this appears to be my last box in which to type, I would also add that it would also be welcome for those thinking about park design to consider spaces for sculpture, trees and flowers that promote an enjoyable experience, perhaps botanical gardens, and other items that have been overlooked as park design in more recent times has been focuseed on "recreational activities" such as single-use sports fields. The City of San Diego has many joint-use parks for athletic teams to access. Why not design our parks for use by the broader community and create pleasant, outdoor spaces that can be more equitably used by all of us?	12/30/2021 12:57 PM
951	Pickleball	12/30/2021 12:56 PM
952	Long course lap swim and more gentle yoga for 55+ that still work and pay taxes!	12/30/2021 12:56 PM
953	hiking	12/30/2021 12:56 PM
954	More widely available fitness trails, with equipment to exercise/etc all muscle groups.	12/30/2021 12:56 PM
955	It is a shame that Carlsbad does not have a championship level Disc Golf course. A round is started every 1.6 seconds in the US. The city of Charlotte NC has 17 courses in its city limits. It would cost 0.5% of the cost of The Crossings and benefits the entire demographic of Carlsbad, not just those that can afford greens fees. In 2020, 3.5 courses per day were installed worldwide. Please Carlsbad, wake up to Disc Golf! Contact the San Diego Aces Disc Golf club to discuss.	12/30/2021 12:56 PM
956	Pickleball of course	12/30/2021 12:55 PM

964	See previous.	12/30/2021 12:53 PM

979	level walking paths	12/30/2021 12:48 PM
980	If you study participation at community centers, hiking trails, nature centers, parks, etc. it is very low. We have too many recreational opportunities already.	12/30/2021 12:48 PM
