Find Creativebug under College and eLearning.

Class Schedule

- **Classes are for patrons ages 13 and older unless otherwise indicated.**
- **Registration is required and all classes are free.**

Silhouette Cameo: Napkin Ring
11/6/2023 5 – 6:30 p.m.
Silhouette Cameo allows you to create personalized designs that can be cut on vinyl, heat transfer vinyl or cardstock. Learn how to design a napkin ring to cut out on cardstock. No prior experience required. Supplies will be provided.

Digital Conversion Demo: VHS tapes, Super 8 and more
11/7/2023 5:30 – 6:30 p.m.
Learn how to convert old VHS tapes, Super 8 and 8 mm reels, mini DV tapes or Hi8 tapes to .mp4 files using various equipment and software.

Teen Arduino: Theremin (Grades 7-12)
11/8/2023 5 – 6:30 p.m.
Build your knowledge of coding and circuits and get started with Arduino by creating a project like the intriguing electrical instrument called the theremin. Learn how to use an ultrasonic range finder to produce eerie noises. No prior experience necessary and Arduino kits will be provided.

Photo Scanner Demo
11/28/2023 11 a.m. – Noon
Learn how to use the Epson V850 scanner and software to digitize negatives, slides and photos.

Tinkercad 3D Design: Gift Tag
11/30/2023 5 – 6:30 p.m.
Step into the world of 3D design. Learn how to create a gift tag using the shape tool, text tool and grouping tool. No prior experience required and projects created in class will be 3D printed and ready to pick up to take home within one week.
