- Declared Emergency (Section 21080(b)(3); 15269(a));
- Emergency Project (Section 21080(b)(4); 15269 (b)(c));
- Categorical Exemption - State type and section number: Section 15301(c) Existing Facilities (Class 1)
- Statutory Exemptions - State code number
- Common Sense Exemption (Section 15061(b)(3))

Reasons why project is exempt: The California Environmental Quality Act ("CEQA"), and its implementing regulations ("CEQA Guidelines") adopted by the Secretary of the California Natural Resources Agency list classes of projects that have been determined not to have a significant effect on the environment and as a result are exempt from further environmental review under CEQA. City staff completed a review of the project and potential environmental impacts associated with the project pursuant to CEQA and concluded that the project qualified for an exemption pursuant to CEQA Guidelines section 15301(c) (Existing Facilities). The CEQA Guidelines include a list of classes of projects which have been determined not to have a significant effect on the environment and which shall, therefore, be exempt from the provisions of CEQA. CEQA Guidelines Section 15301 is a Class 1 exemption for existing facilities and includes (c) Existing highways and streets, sidewalks, gutters, bicycle and pedestrian trails, and similar facilities (this includes

road grading for the purpose of public safety), and other alterations such as the addition of bicycle facilities, including but not limited to bicycle parking, bicycle-share facilities, and bicycle lanes, transit improvements such as bus lanes, pedestrian crossings, street trees, and other similar alterations that do not create additional automobile lanes). The improvements to these streets involve negligible expansion of the current uses beyond the existing and do not result in additional automobile lanes.

The improvements to the city's existing mobility network under this action will improve public safety. Actions are anticipated to involve negligible expansion of the current facilities and infrastructure beyond the existing and will not result in additional automobile lanes. The actions are not expected to increase vehicular use of the roadway and will not change the overall facility use of the mobility network. No exception to the exemption as set forth in CEQA Guidelines Section 15300.2 applies. Additionally, none of the limitations on using an exemption in Carlsbad Municipal Code 19.04.070 (B) applies.

For the reasons stated above, the action is categorically exempt from CEQA under CEQA Guidelines Section 15304(c).
