

FIRE SAFE CARLSBAD

Commercial Kitchen Fire Safety Program

The City of Carlsbad Fire Department invites you to participate in FireSafe Carlsbad, a new community risk reduction program for businesses with commercial cooking operations. Participating businesses receive cost-free fire safety training for staff and commercial kitchen fire inspections to identify fire hazards. Safety training includes hands-on fire extinguisher instruction and a four-part kitchen safety video series accessible at any time using the QR code below.

Learn how to properly use a fire extinguisher.
Practice using fire extinguisher on a live fire prop.

*Instruction will take approx. 15 min per person.
Stop by anytime during designated hours.
