For about two years, I've been applying to open for bands (for free) during TGIF using the online application. I'm retired military and this is my way of giving back to the community.

Unfortunately, I have not received any acknowledgement, and I'm concerned that the online process is buggy.

Again, I'm interested in performing for free as a cost saving measure that would allow you to showcase featured performers.

I perform for charities, galas, house parties. I play all genre cover tunes on an electric violin.

Hoping for an opportunity to play this summer.
