Mayor, Mayor ProTem, Councilmembers, and City Manager -

I wanted to take this opportunity to acknowledge past TGIF Concerts in the Parks and the efforts made to provide bike valet parking to support and encourage alternative mobility options for event goers.

I hope (trust!) that this effort will continue going forward for the 2024 concert series.

It is a great way to encourage more active transportation around and into the Carlsbad community and helps free up parking spaces for others.

I realize that these efforts go beyond the TGIF concert series to other Carlsbad events and I appreciate that bike valet parking is now being provided for many events across your city. Well done !!!

My best,
Kristine Schindler
Encinitas Resident.
