Subject: Solar Farm project

Hello!

I understand that the Carlsbad City Council and the water district will be discussing plans to set up a solar panel farm in our backyard. This is news to me, and I am a resident of Ocean Hills. ALL THE RESIDENTS of Ocean Hills, Vista and Carlsbad need to be kept informed of this project, every step of the way. We NEED to know the truth about the impact that this project will have on our health and on our lives in general.

I look forward to hearing back from you as this project moves along. IF it moves along. 🤖
