Subject: April 23, 2024 City Council Agenda, Item No. 5 - Palomar Airport Matters

Dear Honorable Council Members:

As long time Carlsbad residents negatively impacted by the noisy daily operations of the McClellan Palomar Airport, including the airport's lack of considerate compliance with its voluntary noise abatement and noise compliance agreements, we ask that you please:

- 1) Approve the Resolution presented in agenda item 5 with an expedited timeline to enable the completion of the General Plan Amendments and Zoning Updates by the end of the 2024 year,
- 2) Include related directions to define "Airport Expansion" using the California State legal definitions in our City Code, and
- 3) Acknowledge in the Resolution (per the Annexation Agreement and Court ruling in C4FA v. County of San Diego) that the County of San Diego has voluntarily waived all their immunities regarding land use at the McClellan Palomar Airport.

Thank you very much. Sincerely,

Giovanni and Anne Bertussi
Masters Road
Carlsbad, CA

Subject: Agenda #5, Palomar Airport

Greetings Mayor Blackburn and Councilmembers,

I would like to echo many of the letters written to the council for agenda #5 for the meeting on April 22, 2024 "To request a General Plan Amendment, Zoning Amendment and LCP Amendment for New or Expanded Airport uses at McClellan-Palomar Airport."

This would include:

1. Approve the Resolution presented with an expedited timeline to complete the General Plan Amendments and Zoning Updates by the end of this year, 2024.
2. Include directions to define "Airport Expansion" using the California State legal definitions in our City Code and stated by the CPUC.
3. Acknowledge in the Resolution per the Annexation Agreement and Court ruling in C4FA v. County of San Diego, that the County of San Diego voluntarily waived all their immunities regarding land use at McClellan Palomar Airport.

It is so important to keep local control for our City and I appreciate the Council if they would vote to accept this agenda item.

Thanks,
Kris
Carlsbad Resident

City of Carlsbad Council Members
Upcoming City Council Meeting

Please approve the Resolution presented with an expedited timeline to complete the General Plan Amendments and Zoning Updates by the end of this year, 2024 that include directions to define "Airport Expansion" using the California State legal definitions in our City Code. Also acknowledge in the Resolution per the Annexation Agreement and Court ruling in C4FA v. County of San Diego, the County of San Diego voluntarily waived all their immunities regarding land use at McClellan Palomar Airport.

Marcia Venegas-García

Subject: McClellan Palomar Airport land use (April 23 City Council Mtg.)

City Council Members:

When we bought our Carlsbad home in 1998, the then Airport Council was filled with appointees who did not live in Carlsbad.

When I attended meetings (ca. 1999-2002), the Airport Council appointees displayed thinly-disguised arrogance for input from me and other homeowners and residents. Clearly, they took action on zero of our inputs.

Please approve the McClellan Palomar Airport land use action with the below considerations in mind.

- Approve the Resolution presented with an expedited timeline to complete the General Plan Amendments and Zoning Updates by the end of this year, 2024.
- Include directions to define "Airport Expansion" using the California State legal definitions in our City Code.
- Acknowledge in the Resolution per the Annexation Agreement and Court ruling in C4FA v. County of San Diego, the County of San Diego, the County of San Diego voluntarily waived all their immunities regarding land use at McClellan Palomar Airport.

Thank you,

Cynthia Trevino
Carlsbad Homeowner since 1998
Voter

Subject: McClellan Palomar Airport

I understand that Item #5 on the Council's agenda for tomorrow evening, 4/23 concerns the McClellan Palomar Airport. Please kindly:

- Approve the Resolution presented with an expedited timeline to complete the General Plan Amendments and Zoning Updates by the end of this year, 2024.
- Include directions to define “Airport Expansion” using the California State legal definitions in our City Code.
- Acknowledge in the Resolution per the Annexation Agreement and Court ruling in C4FA v. County of San Diego, the County of San Diego, the County of San Diego voluntarily waived all their immunities regarding land use at McClellan Palomar Airport.

Upon reclaiming final authority on all things land use at Palomar Airport, I'd also request that the City of Carlsbad work to enforce flight paths and quiet hours as well as to ban the use of leaded aviation fuel at the airport.

Sincerely,

Jack Reynolds

Subject: Approve Resolution & Zoning updates for Airport per C4FA updates/requests Item #5

If you can make it to City Hall on Tuesday to show your support and encourage the City Council to approve the action with the changes listed below, C4FA would be very grateful.

If you can't be there in person, we ask you to please email the Carlsbad City Council (council@carlsbadca.gov). Please ask the Council to:

- Approve the Resolution presented with an expedited timeline to complete the General Plan Amendments and Zoning Updates by the end of this year, 2024.
- Include directions to define "Airport Expansion" using the California State legal definitions in our City Code.
- Acknowledge in the Resolution per the Annexation Agreement and Court ruling in C4FA v. County of San Diego, the County of San Diego, the County of San Diego voluntarily waived all their immunities regarding land use at McClellan Palomar Airport.

In 1978, when the City of Carlsbad annexed Palomar Airport, the City required final authority on all things land use at Palomar Airport. Over the years, the County plodded along as though they were the final decision makers, and sadly, in the past, the City of Carlsbad let them. C4FA sued the County of San Diego over the County's 2018 plans to expand Palomar Airport. We won. The plans were rescinded by Court order.

In the legally binding order, the Court states:

"The County voluntarily waived its immunities" and "the County voluntarily and intentionally relinquished its immunities with respect to the airport".

The full Court order may be found under **CEQA Lawsuit Minute Order 1** at www.c4fa.org/legal-documents

C4FA has asked the City of Carlsbad to take the steps to ensure that all future City of Carlsbad staff and Elected Officials retain the local control granted by the Airport Annexation Agreement.
