PROPOSED LCP AMENDMENT SUMMARY

2024 ZONE CODE CLEAN UP - ZCA2024-0001/LCPA2024-0020/MCA2024-0001 (PUB 2024-0005)

The City's Zoning Ordinance is the implementing ordinance for the City's Local Coastal Program. Accordingly, this Local Coastal Program Amendment is necessary to ensure consistency between its proposed amended Zoning Ordinance and its Local Coastal Program. This specific Zone Code Amendment is as follows:

The 2024 Zone Code Clean Up (Clean Up) is part of the Planning Division's work program to maintain the Carlsbad Municipal Code (CMC) for ease of use and accuracy. The Clean Up consists of miscellaneous amendments to the Local Coastal Program Implementation Plan, including CMC Chapter 15.16 (Grading and Erosion Control) and various sections of CMC Title 21 (Zoning). The amendments include corrections and updates to address inconsistencies, terminology, and new state regulations, as well as adding or deleting minor requirements and improving the overall clarity and usability of the code. The Clean Up also includes amendments to CMC Titles 8 and 11, which are not part of the city's Local Coastal Program.

The proposed amendments do not change allowable uses or intensities and have been determined to be exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3).
