Honorable Mayor Keith Blackburn, Mayor Pro Tem Priya Bhat-Patel, and Members of the Carlsbad City Council, Melanie Burkholder, Carolyn Luna, and Teresa Acosta:
1200 Carlsbad Village Drive
Carlsbad, CA 92008

SUBJECT: Reappointment to Carlsbad Historic Preservation Commission

Dear Honorable Mayor Keith Blackburn, Mayor Pro Tem Priya Bhat-Patel, and Members of the Carlsbad City Council, Melanie Burkholder, Carolyn Luna, and Teresa Acosta:

Please accept this letter to express my continued willingness to serve on the Carlsbad Historic Preservation Commission. I have served on the Commission since 2021 and have been pleased with the work done to date, particularly in relation to the Mill's Act and its potential use for Carlsbad projects.

For those who are new to the Council since my original appointment, I am a native of San Diego County, having spent almost 25 years as a resident of the City of Carlsbad, during which time I have become an active member of the community with a variety of activities.

Professionally, I have worked in the field of land use planning and real estate for the past 30 years, having held a variety of positions, with the most recent 20 years as an independent land-use consultant. My current focus involves the creation of architectural guidelines, planning documents, and other tools to support great "placemaking" and community-serving public spaces. I have always been passionate about architecture and history and look forward to the continued opportunity to apply my technical expertise in a manner that allows me to serve the community of Carlsbad.

With one son who grew up and attended school in Carlsbad, graduating from Carlsbad High School several years ago, I have had many opportunities to participate in youth-serving activities such as scouting, youth sports, PTA, and other youth-related events. Currently, I serve on the San Diego Imperial Council, Boy Scouts of America, Board of Directors. I also volunteer at the local Carlsbad community level, although my son received his Eagle rank and has been out of the program for many years.

Interestingly, amongst the many Merit Badges for which I am a counselor, one of them is called "Citizenship in the Community," for which Scouts develop a presentation about the important and unique aspects of the community of Carlsbad, including information about the history, culture, and diversity, as well as Carlsbad's best features and popular gathering spaces. Locally, I also had the opportunity of participating in and completing the Carlsbad Citizens' Academy and previously sat on the Proposition P Citizens' Advisory Committee for Carlsbad.

Professionally, I have served on and/or chaired a number of boards and commissions, including planning committees, design advisory boards, and City of San Diego working committees such as in connection with the development of the City's Transit-Oriented Development (TOD) guidelines. My current career involves oversight for the planning and design of future communities that will embrace new, cutting-edge principles in planning, while remaining true to the unique aspects, history, and context of existing neighborhoods.

I believe my professional background and personal passion for both architecture and history, as well as my desire to serve the community of Carlsbad, will allow me to continue to serve and make a great addition to the Carlsbad Historic Preservation Commission.

Thank you for your time and consideration and for your collective service to the City of Carlsbad. Please let me know if I can provide any additional information.

Sincerely,

Patty Schreibman
