I am strongly opposed to any development that would cause Carlsbad Pharmacy to move. My daughter needs special meds that other pharmacies can't fill. Thank you,  
Anne Lehmann

Subject: Carlsbad Village Plaza Tear Down

I am unable to attend the June 5 meeting to personally voice my concern for the tear down of the businesses located in the Carlsbad Village Plaza, so I would like to do so via this email.

Please accept my strong objection to the demolition of these businesses that I frequent as a resident of Carlsbad for the past 10 years.

Sincerely,

Jaclyn Willers  
2844 Fairfield Avenue  
Carlsbad, Ca 92010

**Subject:** RE: The Carlsbad Village Plaza

Dear Carlsbad Planning Commission Members, Mayor and City Council Members,

RE: Project Number SDP 2023-0014

The Carlsbad Village Plaza, currently home to Smart and Final grocery store, Carlsbad Village Pharmacy, French Bakery, Denault's Hardware, and more, is a one stop retail center that serves the Village/Barrio and Olde Carlsbad residents. It is conveniently located west of the 5 freeway and bordered by CVD, which makes it walkable and easily accessible, visited by 100's of residents every day. The plaza has been there 6+ decades providing the community connectedness and familiarity which promotes well being and positive mental health for residents.

California State Law, AB2345, states that this high density bonus law for new housing which includes 15% low income housing is allowed "as long as the development does not negatively affect the public health, safety, or the environment". The following examples will show how the proposed redevelopment of the Carlsbad Village Plaza with 16 small businesses into large mixed-use high density 5 story residential complexes and 5 story parking garage (Project # SDP 2023-0014) will be detrimental to the public health and safety of the Village/Barrio and Old Carlsbad residents as well as all visitors and residents in Carlsbad.

Born here in 1956, a CHS graduate of 1974, School Nurse/Public Health Nurse for 30 years in Oceanside (retired) and currently a homeowner of 35 years in Olde Carlsbad, I would like to address how this proposal will negatively affect the current residents and those who will be living in this development.

**Live Well San Diego**, a Vision for San Diego County by the San Diego Public Health Department and Health and Human Services Agency was created in 2010. The mission statement is "to make the lives of the 3.3 million county residents healthier, safer, and self-sufficient."

**Living Safely** is one aspect of health that would be **negatively affected** by 5 story apartment buildings bordered by the 5 freeway, busy CVD, fast food restaurants, and Windsor Pointe currently housing Veterans and Mentally ill persons requiring a security guard.

Crime is on the rise, our police department is understaffed, and high rise apartment buildings are known to have more crime. **This puts all residents at risk when our police response times and presence is affected and would have a negative impact on all Carlsbad residents.**

**Disaster Preparedness and Emergencies** Outcomes are worse in higher density buildings and allowing two 5 story apartment buildings with a 5 story parking garage in this location butted up to the 5 freeway and busy Carlsbad Village Drive with limited access from an alley and Oak Avenue for our police and fire departments would be disastrous in cases of fires, earthquakes, and medical emergencies. It would drain on our already precious resources and **negatively affect all residents.**

**Safe Route to School** With increased traffic from 218 apartments and no school buses, the children would be walking to school on very busy streets and would not have a safe route to Jefferson Elementary one mile away. The safety of the children currently living in the Barrio neighborhood would also be **negatively affected by the increased traffic. Teenagers trying to get to Valley Middle School and CHS would also be dangerous on busy roads.**

**Health** Living so close to a freeway with exhaust fumes would be harmful to those with asthma, emphysema, and other pulmonary disease. The health of the barrio residents would also be **negatively affected** by the pollution of the increased traffic thru their neighborhood accessing the freeway from Tamarack which was proposed by the developer.

**Mental Health and Self Sufficiency** Those residents who currently shop at the Carlsbad Village Plaza will have to travel farther and make multiple stops for the same services. For those elderly with minimal energy, this will especially have a **negative impact** on their lives. Losing our only full service grocery store with affordable fresh produce, small town hardware store, pharmacy, and bakery in the village, which provides a sense of connectedness, will also have a **negative impact.** As stated in the **LIVE WELL SAN DIEGO vision**, the goal is to have healthy neighborhoods with self sufficiency to improve the well being of residents. The Plaza, where you can shop for groceries, visit friends at the bakery, pick up your prescriptions from a small pharmacy(not a chain) and grab a plunger provides a sense of well being with familiarity and connectedness that is vital for the mental health of our residents. Having the personal attention from the neighborhood hardware store instead of trying to get help in the massive aisles at Home Depot will also be lost. These losses are real and will negatively affect the mental health and self sufficiency of our residents, especially those in the Village/Barrio and Old Carlsbad neighborhoods. The character of the Carlsbad Village will also be irreversibly altered with 5 story apartment buildings that look like barracks. The definition of village is: "a self-contained community, within a town, characteristic of village life.." We must preserve our

Village/Barrio as outlined in the Village and Barrio Master Plan, the heart of our city, or we will no longer have a Carlsbad “village”.

Due to the overwhelming negative impact SDP 2023-0014 will have on our community’s public health and safety, it must be denied approval. We are counting on you, our Carlsbad City Planner, City Council, and Mayor to speak for all residents in standing up against this disastrous plan.

Best Regards,

**Subject:** Redevelopment of Carlsbad Plaza

Dear Jason and Members of the Carlsbad Planning Commission,  
I would like to request your no vote on the project SDP 2023-0014. This is regarding the development of the property near the 5 freeway and Carlsbad Village Drive. Why am I suggesting a no vote on this? Carlsbad may in fact need more housing, This particular location would not seem like the best option for that. This shopping plaza has been serving Carlsbad residents for years. Not only local residents, (including seniors,) but other cities as well. Businesses such as the grocery store, bakery, laundry mat, hardware store etc, are an integral part of the community and many residents depend on them. There are people who don't want to or can't get to a large box type hardware store (such as Home Depot or Lowes.) This is one of the few smaller hardware stores in the area. Local residents rely on the laundry mat. These small or independently owned businesses may not survive an indefinite closure, and there is no guaranteeing they will return... (despite whatever assurances developers give.)

I ask that you vote no on this project to respect the community, Carlsbad residents, and their needs. Development may be inevitable. Tearing down businesses that are assisting Carlsbad residents to have a better way of life is not the way to go about it.

Thank you.

Sincerely,  
Joni Landfield

**Subject:** URGENT: Development of Smart And Final area/parcel  
**Date:** Friday, May 31, 2024 6:53:40 PM

---

For introduction at June 5, 2024 CofC Planning meeting!

Dear Mr. Lardy and Goff,

I am writing regarding the development of the area bounded by CVD and Oak Ave in Carlsbad, the Carlsbad Village Plaza. I moved to Carlsbad in 1969 following the death of my husband a Major USMC in Vietnam for the excellent schools and community environment. Obviously, there have been many changes, some of them good, some of them not so good.

The plan to obliterate the area with the Smart and Final and other convenient shops is beyond my comprehension. Although I live East of I-5, I shop at this center on a regular basis in and out of my trips to “downtown” Carlsbad. This will not be a Live Well delopment!

Please consider locating elsewhere and building up the businesses already in this parcel of land!

Thank you for a reply!

## Petition to Save Carlsbad Village Plaza

To the Honorable Members of the Carlsbad City Council,

We, the undersigned, respectfully petition the Carlsbad Planning Commission and Carlsbad City Council to deny approval of the mixed-use development project SDP 2023-0014, which involves the demolition of Carlsbad Village Plaza to make way for 218 residential units, a 350-car garage, and several small commercial builds. We present the following reasons for our request:

1. The project will remove the only grocery store in Carlsbad Village, creating a food desert.
2. It will eliminate the village's only pharmacy, a critical resource for seniors and residents with limited mobility.
3. The only neighborhood hardware store in Carlsbad will be lost.
4. All current tenants of the shopping center will be evicted and are unlikely to return, with a loss of local jobs.
5. Retail space will be reduced by 77%, and the cost of the new retail spaces will be prohibitively high.
6. Increased vehicle miles traveled will result as residents are forced to drive further to access similar retail establishments.
7. The project contradicts the objectives of the Carlsbad Village and Barrio Master Plan, which emphasizes preserving neighborhood character and meeting the daily needs of residents.

In light of these points, we urge you to act in the community's best interest by rejecting the proposed development of SDP 2023-0014. Please consider the long-term effects such a project would have on the fabric of our community and the daily lives of its residents.

Thank you for your attention to this urgent matter.

Sincerely,

Martin Danner  
The Committee to Save Carlsbad Village Plaza

## Comments

Name	City	Comment
Elizabeth Knapp	Carlsbad	"I believe it is time to stop building large complexes along CVD! It is time to stop buying out long time businesses in our community and provide them support instead! It is time to LISTEN to the citizens of Old Carlsbad Neighborhoods, who don't want to see anymore degradation of the Carlsbad Village personality. Please stop NOW!"
Alana Ply	Crestview	"I can see that the city leaders did not think about the well-being of existing residents."
Diane Bedrosian	Granada Hills	"This plaza provides services to the neighborhood. Several of the merchants also provide job training for special needs students in the Carlsbad Unified School District, and also permanent jobs for some of them. These are essential for our community."
Ellem Powers	Carlsbad	"It's only market in village and we don't want to become LA"
Bree Hart	Oceanside	"This will effect evening about the old town feel of carlsbad. I am an owner at the carlsbad inn and frequently hang out in that area."
Donna linehan	Carlsbad	"Carlsbad needs to keep it's village charm and not turn into a Los Angeles or Orange county."
Sharon Bischof	Carlsbad	"There is not enough space for that in the location you plan to destroy. We need all the businesses to stay right there where they belong. I'm just one person...but I do frequent 5 of the shops there and have for the past 22 years. Apartments are homes to children too....where are they going to play...in traffic? This would be such a disservice to all who live and work in Carlsbad. Don't you also think that visitors come here to see what's left of our quaint little Village ? This proposal is just so sad and makes me so mad. Please don't let this happen !!!"
Mary Keefe	Carlsbad	"I've lived in Carlsbad for over 25 years . We don't need more condos."
Aimee Moore	San Diego county	"We dont want more traffic in the Village, it is plenty crowded as it is. I am voting against condos."

Name	City	Comment
Nicole Fortunato	Carlsbad	"They want more people downtown walking yet are removing the only grocery store in walking distance. Horrible idea"
Randy Atkinson	Oceanside	"WE (the public/residents) do NOT want continual out of control building that is occurring in downtown Carlsbad and Oceanside . STOP the madness !"
Juan Canet	Oceanside	"I am tired of outsiders manipulating North County and have no long sighted thoughts about their consequences."
Marisol Cortez	Carlsbad	"I love the shops that are currently there. My family and I are regular customers."
Nanci Haggerty	Carlsbad	"Too many high rise in Carlsbad and they just keep building"
mary pruit	Riverside	"i live in the village and do all my shopping at smart and final. lots of people do. it's the only shopping center in the village. Same with the pharmacy and gas station."
Irene Juarez	Temecula	"I love the village the way it is! Leave it alone!"
Roxanne Fleming	Carlsbad	"I love Denaults hardware"
Nicole Harper	Carlsbad	"I live off of Carlsbad Village Drive and the hardware store grocery store and restaurants. I frequent regularly and they are part of our community. Carlsbad needs a grocery store and a pharmacy close by."
Elaine Brown	Carlsbad	"This place keeps our city from turning into any other over-developed city."
Ruth Martinez	San Marcos	"{"videoUrl":"https://customer-g2wнду9j9b1p498o.cloudflarestream.com/865d770a59bb4ae273c12547556f2147/downloads/default.mp4","cloudflareUid":"865d770a59bb4ae273c12547556f2147"}"
Rebecca McNulty	Carlsbad	"I'm a 20 year resident of Carlsbad and I agree the village needs a grocery store, hardware store and pharmacy. We need to preserve the small town and community the village provides and not build it up the numerous multifamily buildings."
Judy Crews	Carlsbad	"Completely agree with Elizabeth Knapp's remarks! The City Council is destroying our city. The crime is up, the neighborhoods are no longer peaceful filled with noisy short term rentals that could care less about respecting the permanent residents. What happened to our beautiful city? We used to be proud of it."
Tracy	Carlsbad	"Long time resident, since 1984. The Village needs to stay"

Wankner		quaint and quality. The newest, largest developments have been fairly void of creativity like the one on Carlsbad Village Dr by the 5, where the Denny's was located."
Andrina Campbell	Carlsbad	"I agree with all of the points listed. We need a local grocery store, hardware store and pharmacy etc. we do not need more ridiculous apartments that do nothing to help low income people."
Jacqueline Schneider	Carlsbad	"I want to save our shopping center in Carlsbad"
Paul Kennedy	Carlsbad	"keep it the way it is + renovate"
Susan Robison	Carlsbad	"People come to Carlsbad because they love our city just the way it is!!!! Stop making it into something else. So sad"
Mary Frolander	Fontana	"Mary Frolander"
Jill Myers	Oceanside	"No more high rises in Carlsbad"
Diana Meyer	Carlsbad	"Carlsbad should be ashamed of this situation. A town this size should have multiple shopping options as far a grocery stores but we have none. The Vons on tamarack is disturbing. Poorly stocked and the customer service is worse. Really this is our only option. Smart and final is a second poor choice but all we have. As far as DeNaults. Would rather support them than the big corporate bldg supply store that offer no help or customer we service. The Golden Tee has been I. This shopping center for ages. A landmark!! The French Bakery a family run Business which has served the community??? This is the thanks these family run businesses get ??? So sad to see the way this town has changed. This is the town no I grew up in And have always been proud to call Carlsbad my home. It's just not the same. So sad."
Teresa Gerent	Vista	"This is a landmark! Those of us who grew up in Carlsbad going back to the 1950s remember this place with genuine fondness - and many of us continue to frequent it today!"
julie moss	Cardiff	"I want to keep Carlsbad access-able"
Stephen Howard	Carlsbad	"We need the grocery store and hardware store. We will be adding traffic if we all need to drive everywhere. Please change the project to meet our Cbad needs."
Sam Doan	Carlsbad	"Does anyone know how many signatures are required and is there a deadline? I've looked on the city hall website and can't

		find anything"
Brittany Martinez	Vista	<p>"Carlsbad has already changed so much from what it used to be, and this is not the best area to add any additional residential units. With crime constantly increasing, it is already a burden on the overworked law enforcement officers. Not to mention, the streets can only accommodate so much traffic at a time, this will only add to the congestion- not only on city streets, but freeways as well! Everyone is familiar with the never ending issues involving the 78 freeway, and flooding issues as well! Overpopulating the village of Carlsbad is only going to create more tension amongst those who live there, and frustration to everyone in the area. Every new development has the same "beliefs" from those developing- assuring that it will not hinder the traffic issues, and that it will make it easier for residents to not have to use their vehicle around the city. How will this even be possible if you take away the only grocery store within the village?! Smaller markets do not accommodate for all daily household essentials, which will still force residents to use their vehicles for transportation. This is not a benefit for anything other than money, and unless these people in favor of this live in the village, or within close proximity, it should not be their decision to make. The nearest hardware store is nowhere even near downtown Carlsbad as well! These current businesses have been around for years and taking these away would put so many out of jobs. The focus should be on accommodating for the additional traffic that this will bring and determining how to better manage that. Why can't they build something of this sort near the mall?! The west end is practically deserted and just an empty parking lot - which would serve as a better location for something of this sort. Don't take the character away fro Carlsbad anymore than it already has been. It is important to note that some people and many elderly would not be within close enough distance to accessible resources if these current businesses/stores are taken away. How can anyone afford to enjoy and help the city benefit if they lose their jobs? There are other places that would be a better fit for something of this sort. It would be more suitable to build in an area that does not currently have these resources and not have to add more congestion to this area/space. E-bikes have already been involved in so many accidents, with some unfortunately being fatal. Not everyone riding them is responsible, even tho they are required to take a course to help for the safety of everyone in the road. Commuters would no longer have this accessible right</p>

		<p>off the freeway when needed. The residents voices need to be heard and taken into consideration since they are the ones living here. These developers coming from other areas don't even live here to be able to care of how it will affect the community. The west end of Carlsbad Village and Carlsbad Boulevard is a better place for something of this sort, and an area that would serve less vehicle traffic. I would hate to see these businesses be forced out of something that has been around for so many years. There's no benefit to eliminate these businesses when they are the only ones around this area. Please take into consideration all of the surrounding residents that would be affected negatively by taking this away."</p>
Maaren Powers	Carlsbad	<p>"Our family lives in Carlsbad and frequents the Denault's Hardware Store, Bakery, and Smart and Final regularly. This small one story mall could be updated and renovated in a way that preserves the character and small town feel that Carlsbad is known for. A razing and building of multi-story buildings, parking, and housing would undercut the plan for the Barrio and turn our city into Huntington Beach. Keep our small town coastal vibe!"</p>
Ben Blackmore	Swindon	<p>"Carlsbad doesn't need more expensive apartments or condos. Keep the village a village"</p>
April James	Carlsbad	<p>"I agree that this would poorly impact many seniors living in this area that have no transportation. The grocery store and the pharmacy are musts. This is right off the freeway off-ramp and would negatively impact any visitors thinking of visiting the village by the sea. There is already a huge new housing complex that is new across the street this would stop all visitors from driving down Carlsbad village blvd. Would cost what's left of our small businesses' in the village to go completely out of business. Please do not allow more destruction. Our Village needs the Carlsbad Village Plaza, it brings people in off the freeway. Helping our economy."</p>
Sharon Bodon	Carlsbad	<p>"Unfortunately, most of what happens lately with development and Carlsbad ends up being completely unusable by the locals. Across the street, the atrocious luxury condos (not) selling for the sky high demand, and renting one bedrooms for 5000 a month AND right ON the freeway are just completely out of line with what Carlsbad locals want or need. if it truly was affordable housing \$1500 per bedroom and under is what we need. Yet we know this is just going to be another luxury monstrosity. What are the barrio and village residents supposed to do for</p>

		groceries? The Vons on Tamarack is already too small for the number of people who use it as is. Terrible idea to tear this down."
Lauren Lifset	Montrose	"More housing is not needed bad enough intersection"
Carol Brickett	Haines City	"I retired here 6 years ago. Carlsbad Village was the perfect little beach town in which I had envisioned spending my stress-free time in life. Don't we have enough cities/towns with high-rises, parking garages, etc.?? This town must have been wonderful 20 years ago. We do NOT need to keep adding more horrible tall buildings. PLEASE, let us keep what is left of the charm."
Laurie Lockman	Carlsbad	"I love downtown Carlsbad 's charm."
AJ Costa	Burbank	"Terrible idea."
Julie Christina	South San Francisco	"Great community spot for delicious bakery, bulk groceries and home repair necessities."
Gayle Jolley-Santana	Yucaipa	"Not everything HAS to change."
Margie Sone	Carlsbad	"Don't turn our warm quaint beach community into a cold concrete extension of Los Angeles."
Pamela Lemerand	Plymouth	"Please consider the voices of your residents and not the deep pockets of developers."
Diane Rivera	San Francisco	"As a citizen of Carlsbad, I think this is not in the best interest of us citizens. Plans to this renovation was not approved by citizens."
Ashley Norman	Oceanside	"Save our city! Protect local small businesses and we absolutely do not want to see skyscrapers blocking our beautiful view. Protect our city!!!"
Steve Rapp	San Diego	"I've been shopping in this center since it was big bear ! We can't get rid of it b!"
Michele StClair	Carlsbad	"Please don't let Carlsbad Village lose all of it's small town feel!!!!"

**Subject:** Regarding SDP 2023-0014 Status of Carlsbad Village Plaza

Dear Honorable Members of the Carlsbad City Council,

I'm Raquel Sholley, a concerned resident and vendor who serves multiple businesses in Carlsbad Village Plaza. I'd like to express my strong opposition to the mixed-use development project SDP 2023-0014, which proposes the demolition of Carlsbad Village Plaza. I'd also like this letter to be documented on public record.

As you may know, Carlsbad has a population of approximately 114,000 residents, according to the 2020 United States Census. However, our city has a limited number of grocery stores, with only 11 options for our entire population. This ratio is already concerning, and the proposed development would further exacerbate the issue by eliminating one of our few existing grocery stores.

This scarcity of affordable housing options is compounded by the current inflation crisis, which has led to skyrocketing prices for basic necessities like food resources, and this plaza provides the community relief with multiple affordable restaurants, convenience markets and even a local thrift and resale store that myself and many of my neighbors shop at.

Carlsbad Village Plaza is a vital hub of activity and a lifeline for our community, providing essential services and amenities to residents who are already struggling to make ends meet. The grocery store in the plaza offers fair and discounted prices, making it an indispensable resource for our community. Additionally, it supports several local small businesses by selling bulk items for restaurants and catering, further stimulating our local economy.

If we lose Carlsbad Village Plaza, our already limited grocery store options will dwindle even further, leaving our residents with even fewer choices and longer distances to

travel for basic necessities. The impact on our community's most vulnerable members, including low-income families, seniors, and individuals with disabilities, will be devastating.

I urge you to consider the long-term consequences of approving this project and instead explore alternative development ideas that prioritize community needs and preserve the plaza's character.

Thank you for your attention to this critical matter.

Sincerely,

Raquel Alexis Sholley  
945 Pine Ave  
Carlsbad, CA 92008

**Subject:** 4 story development on CV Drive

I am a long time resident and I am opposed to this huge development and the loss of retail and the pass through for traffic that is unable to turn left from the center. A 2 story development would be much better for everyone concerned. RJ Gilbert 1339 Buena Vista Way 92008
