Personal Protective Equipment (PPE) has been provided at a level appropriate to employee job duties (describe below)

All employees are provided cleaning supplies, face coverings and gloves to use during the time that they are working.

SAFE REOPENING PLAN

В.	Measures To Protect Employee Safety (Mandatory) Continued:		
	Soap and water are available to all employees at the following location(s):		
	All bathrooms, kitchens and at the cleaning area within the evidence room of the Police headquarters.		
,	✓ Copies of the Protocol have been distributed to all employees.		
C. Measures To Protect Customer Safety (Check all that apply to the facility):			
	Limit the number of customers in the store at any one time to 3 which allows for customers and employees to easily maintain at least six-foot distance from one another at all practicable times.		
<u>.</u>	 ✓ All patrons/visitors must have facial coverings in their possession and wear them within 6 ft. of another person ✓ Curbside or outdoor service is made available where feasible. ✓ Optional – Describe other measures: 		
	City Staff monitor the lobby to ensure that only three individuals are in the lobby at any given time. Separate containers will be available to separate clean pens and used pens for customers to use. The service counter will be disinfected between customers by police department staff.		
D. N	Measures To Keep People At Least Six Feet Apart (Check all that apply to the facility):		
1	Placing signs outside the store reminding people to be at least six feet apart, including when in line. Including encouragement for pedestrian traffic to follow one-way migration paths, if appropriate.		
1	Placing tape or other markings at least six feet apart in customer line areas inside the store and on sidewalks at public entrances with signs directing customers to use the markings to maintain distance.		
	All employees have been instructed to maintain at least six feet distance from customers and from each other, except employees may momentarily come closer when necessary to accept payment, deliver goods or services, or as otherwise necessary.		
•	Appointment system is utilized, when appropriate.		
	Optional – Describe other measures:		

SAFE REOPENING PLAN

E. Additional Measures Specific to Business (Mandatory):

Additionally parts of the front lobby that is accessible to the public are blocked off to not allow the public in all areas of the lobby.

Bathrooms are designed for one use only preventing multiple people from using the facility at one time.

A hand sanitizer dispenser is posted on the wall directly next to the area where the public is serviced.

A glass partition will separate the employees working the front counter from the public they are serving.

You may contact the Health and Safety Coordinate	or with any questions or comments about this protocol:
