

*Tamarack Area
Coastal Improvements*

*Community Workshop
Jan. 11, 2018*

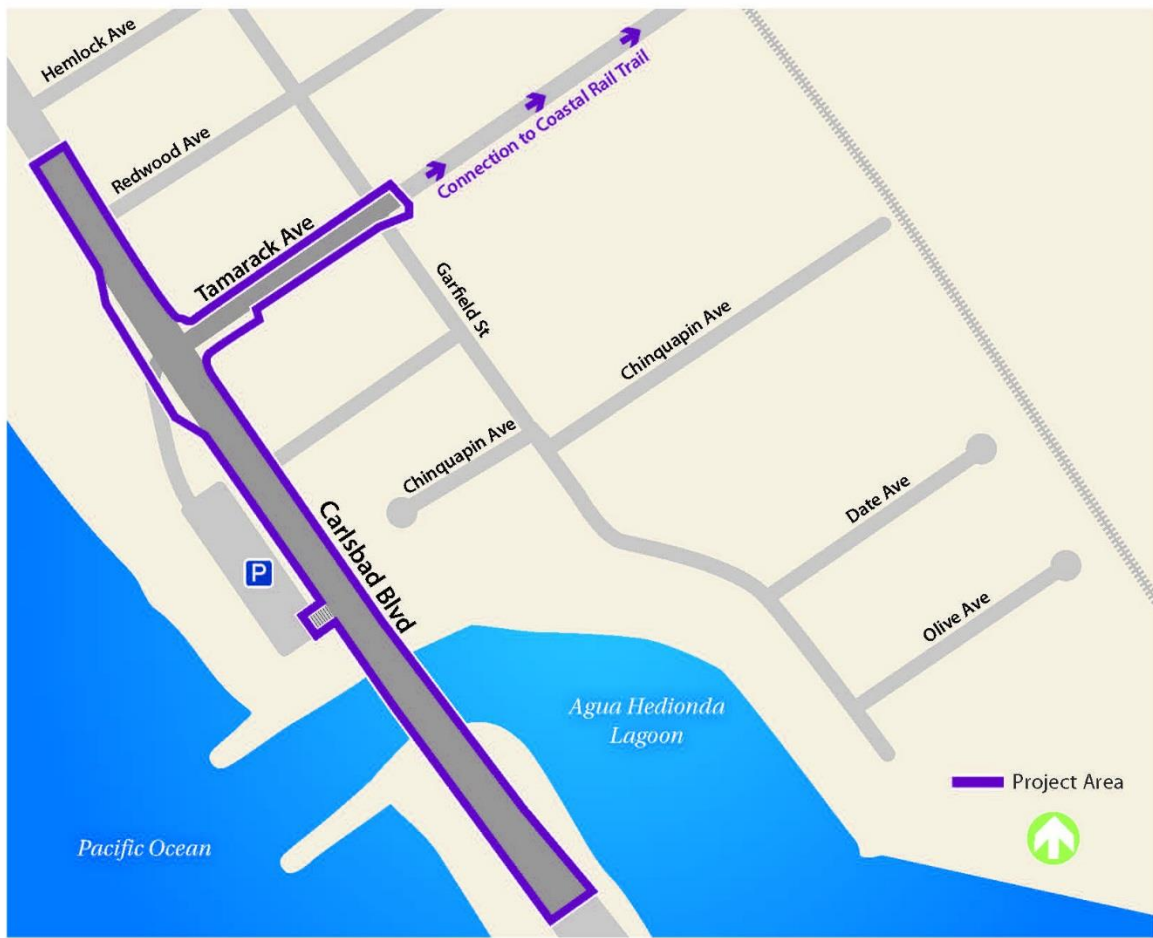

Tonight's Open House

- Share revised conceptual design
- Brief presentation
- Open house with staff for questions
- Comment forms

Meeting Ground Rules

- Hold questions until open house
- Be respectful of others
- This is an opportunity to learn and provide comments, not a debate
- You may fill out the comment cards in addition to talking with staff members

Project Area

Project Goals

- Create an environment that is safe, accessible and attractive to all users, including cars, bikes, pedestrians and people who use public transit
- Make existing bus stops accessible for people with disabilities and more inviting for everyone
- Create additional free on-street parking

Project Goals

- Create an enhanced sense of connection between the beach, trails and the community
- Protect the quality of life for the surrounding neighborhood

City of
Carlsbad

The logo for the City of Carlsbad, featuring a stylized wave icon to the left of the text "City of Carlsbad".

City of
Carlsbad

Previous Workshop

- Three options presented:
 - Roundabout
 - Signal with four lanes
 - Signal with three lanes

Updated Design

- Reflects previous community input received
 - June/July 2016 (more than 2,000 comments)
 - Workshop
 - Online survey
 - Pop-ups at Tamarack

Project Proposal

Signal with three lanes

What's Included

- Bike lane and pedestrian enhancements
- View area
 - More areas to sit and enjoy the view
- New parking spaces
 - On Tamarack Avenue and Carlsbad Boulevard

What's Included

- New crosswalk
 - Across Carlsbad Boulevard south of Sequoia Avenue to lagoon trailhead
- Signs directing people to Coastal Rail Trail
- Removing asphalt island on west side of Carlsbad Boulevard and south of Tamarack Avenue

Next Steps
