GENERAL INFORMATION

1. Pursuant to the requirements of Subdivision (d) of Section 1269b of the Penal Code, the attached bail schedule has been adopted by a majority of the Superior Court Judges of San Diego County.
2. This schedule shall supersede all prior schedules for Superior Court in San Diego County, and shall become effective January 25, 2021.
3. The jailer and court clerks are hereby authorized to accept bail and release persons held in custody upon felony, misdemeanor and infraction charges in the amount of bail set forth for each specific charge. When a defendant is booked for or charged with two or more offenses, bail shall be computed under this schedule for each of the charges and then added together (stacked) with and including applicable bail for enhancements and prior convictions,

EXCEPT bail stacking is NOT permitted (and the highest bail, including enhancements, shall be imposed):

- a. where lesser offenses are charged along with a greater offense¹;
- b. where one criminal act is charged under a number of criminal statutes²;
- c. where a course of criminal conduct violates more than one statute but is an indivisible transaction³, or
- d. where the theft of and possession of the same property are being charged⁴.

Bail SHALL be stacked:

- a. Where the offenses are committed against separate victims or on separate dates, or
 - b. Where separate sex acts are committed on the same victim, or
 - c. Where offenses committed in a single occurrence are a separate class of crimes, such as, for example, a drug offense and a theft offense, or a violent and a non-violent offense.
4. Bail for release from custody may be given in cash or by a surety bond executed by a certified surety insurer.
 5. After a person has been brought back to the state by extradition proceedings, s/he shall be committed to the county jail with bail set in the amount of \$100,000.00 in addition to the amount of bail appearing on the warrant, unless the offense with which the extradited person is charged is shown to be an offense punishable by death or life

¹ Example, Domestic violence – PC § 273.5, PC § 243(e), PC § 242, 243(a) from one incident

² Example, DUI charged under an (a) and a (b) count

³ Example, theft –PC § 211, PC § 459, PC § 484 from one Estes shoplift incident.

⁴ Example, CVC § 10851(a), PC § 496(d) one car, one incident

- imprisonment, or escape from confinement after conviction, in which case no bail shall be set.
6. Where the column “**CT**” is checked after the bail amount, a court appearance by the defendant is mandatory, and s/he must be directed by the person accepting the bail to appear in the appropriate division at a particular time and date specified by the Presiding Judge.
 7. Where court appearance is mandatory (designated by “**CT**”), penalty assessment is not to be added to the bail.
 8. Infraction violations are listed with the letter “I” preceding the section number. Misdemeanor violations are listed with the letter “M”.
 9. Second and subsequent offenses for all misdemeanors shall be a mandatory appearance unless otherwise noted.
 10. Bail on second offenses for infractions will be the same as the first offense, unless the Schedule quotes a higher amount.
 11. Third and subsequent offenses for all infractions shall be a mandatory appearance unless otherwise noted.
 12. Proof of correction/compliance violations are designated by “**PC**”.
 13. Bail for all misdemeanor violations of California State Codes not covered herein shall be in the amount of \$500.00, with mandatory court appearance.
 14. Bail upon any charge which is charged in the complaint as a misdemeanor under PC 17(b)(4) shall be \$5000.00, with mandatory court appearance, unless the Schedule quotes a higher amount.
 15. Bail on all pedestrian violations not covered herein shall be \$25 plus penalty assessment.
 16. Bail for all infractions enacted by political subdivisions within San Diego County not enumerated specifically herein shall be \$10, plus penalty assessment, if one is required.
 17. Pursuant to Section 40200(a) of the California Vehicle Code: “Any violation of any regulation that is not a misdemeanor governing the standing or parking of a vehicle under this code, under any Federal statute or regulation, or under any ordinance enacted by local authorities is subject to a civil penalty. The abbreviation “**Prk**” refers to misdemeanor parking violations.
 18. Pursuant to Section 42009 of the California Vehicle Code, for any specified Vehicle Code offense committed within a highway or maintenance area during hours when work is being performed, the fine shall be double in the case of misdemeanors and for infractions shall be one category higher than otherwise provided in the Uniform Traffic

Penalty Schedule. **These specified offenses shall be indicated by an asterisk (*) in this bail schedule.**

19. Pursuant to Section 12021 of the Fish and Game Code, an additional penalty of fifteen dollars (\$15) shall be added to any fine, penalty, or forfeiture imposed for a violation of this code or a regulation adopted pursuant thereto. **Exempt violations shall be indicated by two asterisks (**) preceding the violation in the Fish and Game Code section, and Title 14, California Code of Regulations section of this bail schedule.**
20. Vehicle Code section 42001 allows local public entities that employ peace officers, universities and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule.
21. Sentencing enhancement provisions, which require imposition of bail in addition to the bail imposed pursuant to an underlying offense, are designated in the Bail Schedule with an "E" in the punishment column.

AUTHORITIES FOR ASSESSMENTS

INFORMATION REGARDING SPECIAL ASSESSMENTS

PENALTY ASSESSMENT:

The abbreviation “**PA**” refers to penalty assessment. Penalty assessment shall be levied upon every fine, penalty or forfeiture imposed and collected by the courts for criminal offenses, including all offenses involving a violation of a section of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code, except offenses relating to parking.

Where multiple offenses are involved, the assessment shall be based upon the total fine or bail for each case.

Effective June 27, 2012, where penalty assessment is required, twenty-nine dollars (\$29.00) shall be added for every ten dollars (\$10) or fraction thereof. In addition, pursuant to Penal Code Section 1465.7 (a), (AB82, chaptered August 24, 2007, as urgency legislation), a state surcharge is added to and collected in the same manner as penalty assessment, and is approximately \$2.00 for every \$10.00 or fraction thereof. Therefore, thirty-one dollars (\$31.00) shall be added for every \$10.00 or fraction thereof (PA and surcharge). See detail below.

\$ 10.00	State Penalty Assessment (PC1464)
\$ 9.00	County Penalty Assessment (GC 76000, 76000.5.)
\$ 5.00	State Court Construction Penalty (GC70372(a), GC70375(b))
\$ 2.00	State Surcharge (PC1465.7(a))

PC1464(c) - When any deposit of bail is made for an offense to which this section applies, and for which a court appearance is not mandatory, the person making such deposit shall also deposit a sufficient amount to include the state penalty prescribed by this section for forfeited bail. If bail is returned, the state penalty paid thereon pursuant to this section shall also be returned.

PC1464(d) - In any case where a person convicted of any offense to which this section applies is in prison until the fine is satisfied, the judge may waive all or any part of the state penalty, the payment of which would work a hardship on the person convicted or his or her immediate family.

PC1464(e) - After a determination by the court of the amount due, the clerk of the court shall collect the penalty and transmit it to the county treasury. The portion thereof attributable to Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code shall be deposited in the appropriate county fund and 70 percent of the balance shall then be transmitted to the State Treasury, to be deposited in the State Penalty Fund, and 30 percent to remain on deposit in the county general fund.

The transmission to the State Treasury shall be carried out in the same manner as fines collected for the State by a county.

Pursuant to Section 40611 of the Vehicle Code, in part: Upon proof of correction of an alleged violation of Section 12500 or 12951, or any violation cited pursuant to Section 40610 or upon submission of evidence of financial responsibility pursuant to subdivision (e) of Section 16028, the clerk shall collect a (\$25) transaction fee for each violation that is dismissed by the Court with proof of correction.

TRAFFIC VIOLATOR SCHOOL FEE:

Pursuant to Section 42007.1(a) of the Vehicle Code, in part: A \$52 fee is to be added to the “total bail” of the offense eligible for traffic violator school diversion when this option is selected.

ASSESSMENT FOR RECORDING AND MAINTAINING PRIOR CONVICTIONS:

Pursuant to Section 40508.6 (a) of the Vehicle Code, in part: An assessment of \$10 per case shall be added to the total bail for the cost of recording and maintaining a record of the defendant’s prior convictions for violations of the vehicle code. The assessment shall be payable at the time of payment of a fine or when bail is forfeited for any subsequent violations of this code other than parking, pedestrian, or bicycle violations.
