Re: Resignation

For the last few years, I have been attending school part-time while also serving in my capacity as a city council member. Subsequently, I applied to several universities and after reviewing my options with my family, I have chosen to attend a university outside the county of San Diego. It's an opportunity I simply cannot refuse. Unfortunately, this means that I am no longer able to continue in my role as council member.

Please accept this letter as my official resignation from office, effective immediately.

Sincerely,
