Good afternoon,

Thank you for all the time you've put into this redistricting process. Please select **map NDC 101c** as it closely resembles the current district map and will cause the least amount of confusion for voters.

Appreciate your service!

Good morning,

As a resident and homeowner in Carlsbad I'd like to strongly encourage the redistricting committee to approve map ND101c.

I believe this map best represents our constituents and keeps into consideration the small diversity of my neighborhood. It keeps us as we currently are and our current districts are fairly new (since 2018).

Thank you,
